Hart, Schaffner & Marx.

THESE are great times we're living in; the mystery of aerial navigation seems to be just on the edge of being solved; a few years more and we'll be traveling through the air with as much unconcern and security as we now ride in a railroad train.

Progress seems to be the dominant idea of the times; new discoveries, new triumphs of science; new wonders all along the line. But when you come to clothes---and we all have to come to clothes, every day, and probably will for a good many years---when you come to clothes you'd better come here and get into a
