BOULE COURT BY TELEPHONE

NEW YORK, Dec. 31.—Storn-bounded in his suburban home, Magistrate Colman called his court to order over the telephone and disposed of the six cases which were ready to be heard. Five of the cases were of persons who had over-indebted themselves and the other was an assault case. The Magistrate had the policemen who made the arrests over to their complaints over the telephone and then had the prisoners make their pleas in the same fashion. The court's decisions were then announced over the wire.

Helping the Town ...

By banking your money in a bank in your own community you increase the community's power to do business. If substantial farmers want to borrow money there is more to loan them. If you bank your money away from home it is loaned to other farmers, merchants and manufacturers. Help your home people. Money hidden at home helps no one. Placed in a bank it is put to work in ways that help all.

The First National Bank of Klamath Falls

Is a good bank to put your money in—safe and reliable.

An Added Joy to Xmas

Belongs to those whose thrift and care have given them a Bank Account. Not only does it provide them with funds for Christmas expenses, but it gives a sense of personal safety and protection which adds additional joy to the comforts and pleasures of the season.

The First Trust and Savings Bank is an ideal family financial headquarters and YOU are cordially invited to join the happy throng of satisfied depositors.
