GEORGE L. PRICE HAS RETURNED

SEVERAL PEOPLE CLAIM TO HAVE SEEN HIM IN THE CITY HERE TO DEFEND HIS RIGHTS

Alleged That He Comes Back for the Purpose of Making It Warm for Some People

George L. Price has returned to Klamath Falls. At least that is the statement that has been made by several people who claim to have seen him within the past twenty-four hours. When the statement was made that Price was returning to Klamath Falls everyone laughed at it. But he is here, and is going to stay. As soon as it was learned that he was in the city a telegram was sent to San Francisco advising the authorities there that Price had been located, and asking if they wanted him. A reply came to the effect that the parties there would not put up any more money for his arrest, and stating that a letter was following containing further particulars. It would seem, therefore, that San Francisco is not as anxious to secure Mr. Price as it at first appeared.

A friend of Price's stated today that if he has returned to the city it is for the purpose of securing redress for the manner in which he was railroaded from the city. This friend states that before leaving Price stated that he would come back to Klamath Falls and secure satisfaction for his wrongs, and should this prove true it may possibly lead to further struggles in the courts of this county.

quested to call at the Portland store between 5 and 7 this evening and get false faces and take part in the parade, which starts at 9 o'clock. All auto owners are also requested to aid in the last success of the illuminated parade. About 250 red fire torches have also been provided.

The public wedding will take place this evening from the boat, and all are expected to see the ceremony.

The committee, consisting of K. Sugarman, chairman; Arthur Livermore, secretary; Mr. Swanson, director; O. M. Hector, treasurer, and Fred Houston and Cale Oliver, directors of sports, deserve the utmost credit for the success of the celebration.

WOMEN OF WOODCRAFT HAVE ENJOYABLE MEETING

One of the most interesting meetings in the history of the Women of Woodcraft took place in the Red Men's hall last Friday evening.

The wood was then thrown open for an hour of pleasure and pastime. The parody on the Fourth of July was a side-bursting affair, and one long to be remembered. We must say this troop is "dead next to their job."

The parts were well cast and did credit to themselves and their camp. Especially was this true in the Goddess of Liberty. Her manner and dress caused each one to be proud they lived, moved and had their being under the stars and stripes (?). The regret that it was not possible for some of our neighbors to be present. We alone can realize what they missed.

On July 15 will be installation of new officers. Aside from this the entertainment committee is to make you glad you are a neighbor and present and able to laugh and eat.

Fresh homemade bread daily at 11 a. m. at 419 Main Street. MRS. WM. LINKENBACK

NOT ASHES CAUSED FIRE

Carelessness in throwing a lot of ashes near the shed in the rear of the Central cafe this morning caused an alarm of fire to be sent in. When the department responded it was found that the blaze was under control. It was started by some one throwing ashes which contained live coals on some inflammable material, and for a time it looked as though a serious fire would result. The damage was slight.
