LOCAL SOCIALISTS ELECT NEW OFFICERS

D. E. Burrell County Committeeman. County Locals to Come in Later

At the meeting in Redmen's hall last night Local Klamath Falls elected their officers and also elected D. E. Burrell as county state executive committeeman. The members also elected an advisory committee consisting of J. W. Hawhurst, N. Marchand and D. W. Muller. The advisory committee from the other locals will be named later.

When the charters authorizing them to meet have been received by the new locals which have been recently organized the county organization will be perfected, which will probably be next Sunday.

The officers for Local Klamath Falls are E. W. Muller recording secretary, N. Marchand financial secretary, J. R. Ritter literature agent. The chairman of the meeting is elected at each session. It is not expected that a full ticket will be put in the field, but the number of candidates will be decided on at next Sunday's meeting.

SUNDAY SCHOOL IS ORGANIZED AT SWAN LAKE

Delegation From Methodist Church Meet With Pleasant Reception

A delegation from the Methodist Sunday school in this city went to Swan Lake Sunday, where they organized a Sunday school at that place. The party left here at 8 o'clock in the morning and arrived at their destination about 1:30. They met with a royal welcome, and after a bountiful repast, Dr. W. A. Leonard addressed a meeting of persons interested in the work.

The following were elected to the various offices of the Sunday school: Miss Edna Linn superintendent, Miss Annie Applegate assistant superintendent, Miss Anna Schmon secretary, Miss Rosa Hilbert, treasurer. The teachers are Lena Robbins, Emma Neubert and Annie Applegate.

After the lessons had been read short addresses were made by Dr. Leonard, Will Wood and R. H. Old. Ice cream and cake were served to the visitors before they started on their drive back to this city, where they arrived about 7:30 last night.

The capability of the instructors in the new Sunday school insure its success.

LARGE HEAD OF LETTUCE

The fertile soil of the Klamath basin can raise anything equal to that grown in any part of the state, no matter whether it is in the way of grain or vegetables. F. L. Armstrong last week picked a head of Self-Folding Cross lettuce from his garden that weighed five and a half pounds and every leaf as crisp and tender as one could wish. The vegetables that are raised in this county cannot be beaten for size, flavor or tenderness, and when more attention is paid to this line of business this county will be shipping its products to other places instead of selling all that is raised to the local markets.

THANKS FROM W. C. T. U.

The Woman's Christian Temperance Union of Klamath Falls wishes to extend thanks to the Fourth of July committee for granting us the privilege of selling tags on the streets on that day. Also to the county court for grounds on which to erect our rest room and to the Kenyon Transfer company and to E. B. Ramsey for the use of their teams and wagons. Likewise to Mrs. Dr. Hamilton for the use of the tent and to Achley Brothers for poles for the same; and also to those who kindly assisted us to put up the tent. And last, but not least, to the two boys, Rybern Wilson and Harold Pesse for working hard all one forenoon helping to return the things used in making the rest room cozy and comfortable for tired mothers and babes on that day. The words of commendation from these mothers more than paid us for the work in erecting the rest room. They seemed to appreciate it very much.

The net proceeds from the sale of tags was \$36.35, one-third of which is kept in the local union, the other two-thirds being divided between the state and national organizations.
