LIBRARY CONCERT MONDAY EVENING

Rollin M. Pease and a Number of Other Musicians Will Be Present

The Women's Library club are to be congratulated on securing the services of Prof. Rollin M. Pease for their benefit concert next Monday evening. This talented singer received a thorough musical training at the Chicago Music college and later in the College of Music of the Denver University. After a successful career as a teacher of music in Fort Worth University and the State Normal school of Oklahoma he was called to be choir master and soloist in the First M. E. church of St. Paul, Minn. The liberal salary he receives in this position has proved a profitable investment for the church, being more than amply covered by the great increase in the voluntary offerings to their music fund.

No one should remain away from Prof. Pease's concert on the ground for "high class singing," as the usual marks of vocal strain and the mannerisms of over-training are entirely absent from the work of this gifted singer.

JONES—HOWARD

One of the most unique events that has ever occurred in this city was the marriage ceremony of Mrs. Eugenia Howard and Charles Jones Jr., which occurred at the home of Mr. and Mrs. E. H. Reames. The contracting parties are the colored servants of Mr. and Mrs. Reames, a number of whose friends had been invited to their beautiful colonial home to witness the ceremony. Hon. George Noland, circuit judge for this district, united the couple, following the Episcopal ring service. There was more than a passing interest on the part of the guests, for the bride has a host of friends among the society people of the city, as was evidenced by the large number of handsome presents given her.

Following the ceremony the evening was spent in dancing and playing bridge and 500, the occasion being one of the most pleasant of the year.

Mr. and Mrs. Jones will continue in the service of Mr. and Mrs. Reames.
