The Monarch Mercantile company is closing out its entire stock of Fishian shoes at 75 per cent discount.

E. E. Fitch, the Merrill notary public, returned from Portland last night, where he had been for several days on business.

Deputy Sheriff John Schallock returned from Sprague river last night with James Bell, whom he arrested on a warrant charging him with assault and battery upon Luke Walker.

A Miss Jones, who lives near Tule lake, is to be examined as to her insanity as soon as she can be brought before the county court. She is about 30 years of age, and her parents are old residents of that part of the county.

The framework for the three store-rooms that O. D. Mathews is having built on Fourth street near Pine is being erected, and the roof will soon be put on. H. M. Reynolds has the contract, and is expected to have the buildings completed by September 1.

START WORK ON NEW BRICK BLOCKS

Foundations Being Put in for the Odd Fellows' Temple and the Willis' Block

Work was started this morning on the new Odd Fellows' temple on the corner of Fifth and Main streets, and the Willis' building that adjoins it on the east.

The foundation for the Odd Fellows' temple will be of stone, and the expectation is to have it completed in three weeks, so that work on the superstructure of the building may be begun as soon as possible.

The foundation for the Willis' building will be of concrete, and the Maddox-Harris concrete mixer is at work now preparing the materials for the foundation. It is expected to have this portion of the building completed in about ten days.

When these buildings are completed Klamath Falls will have two of the most slightly edifices in any town of this size in the state, and the citizens of this city are hoping that the other portions of the same block may have buildings of a similar high class erected before long.

## INSURRECTION MAY BREAK OUT IN CUBA

Malecontents Are Rallying Around the Standard of General Miquel

HAVANA, July 27.—General Montenegro and 1,000 soldiers started for Santiago province to suppress the insurrection which General Miquel, the liberal leader, has started. Miquel's force is now weak, but Miquel is strong politically, and it is feared the rebellion will spread. The troops were dispatched after the government had been advised that many Spanish war veterans had joined Miquel. The malecontents are organizing, and it is reported that Miquel's force has fled into the mountains near Santiago, and that the rural guards are pursuing them.

## OPERA HOUSE TONIGHT

The Angel City trio proved to be a big success last night at the opera house. Their songs are good, and the way they sing them is very good. They also introduce quite a number of good jokes.

On tonight's bill of pictures will appear "Davy Crockett." It is safe to say that there is no one in Klamath Falls who has not heard or read of this famous frontiersman, but few have seen the motion pictures of his life. Among the other pictures will be "The Miner and Camille," which will no doubt prove to be one of the best comedies shown for some time. "Ready in a Minute" is another comedy that will make you laugh till your sides ache.

Special music by the opera house orchestra under the leadership of Professor Griffith.

## LODGE NEWS

Klamath lodge No. 99, Knights of Pythias, will meet tonight. Several candidates are on the way, and it is expected that there will be work in one of the ranks. All members of the order are invited to be present.

Ladies, if you want to take advantage of the great clearance prices you will have to hurry.

## BABY AT DELZELL'S

W. A. Delzell is wearing a "smile that won't come off," and the reason therefore is the arrival of an 11½ pound girl at his home last night. The Herald extends congratulations, and trusts that the latest arrival may become as popular as her parents.
