

R. C. SPINK, The Jeweler
Agent for Crescent and Jas. Boss Filled Cases

THE MEANING OF "GOLD FILLED"
By far the greater number of men and women who buy gold watches choose a gold-filled case. Gold-filled means two layers of solid gold sandwiched with a layer of metal alloy between. It makes a firmer case than a gold one, and costs less.
If the two plates of gold are heavy enough they will wear for many years. But, you see, the temptation to irresponsible manufacturers is to roll the gold layers to a mere film and increase the base metal.
What is worse, the makers of shoddy filled cases can stamp it "guaranteed 20 or 25 years," and there is no law to prevent him. Remember, when you buy a watch to inquire about the case. Remember, also, that the guarantee stamp is no safeguard.
Fortunately there is a way you can protect yourself—a way you can be sure of the value. Demand a filled case made by the people who make the finest gold-filled cases in the world. That means a "Crescent" filled case or a "Jas. Boss" filled case, both made by the Keystone people, who produce the Keystone solid gold cases. These cases are backed by 50 years of service.

The Wise Young Couple

Will have a savings bank book from the very start. Every deposit they make is a provision against the rainy day that comes to all at some time or another. The First Trust and Savings bank opens joint accounts by which either husband or wife can withdraw money when needed. Better open one today and have something to fall back on when trouble comes.

StopCough

Those hard night coughs of the children! What shall you give them? Just what your mother gave you, and just what her mother gave her! In some families, Ayer's Cherry Factorial has been the only cough medicine for seventy years. Once in the family, it stays. Keep it on hand.

TO THE PUBLIC

The committee of the Sprague Post No. 46 on Decoration Day observance, desires information as to the last resting place of any of the veterans of the Civil War, either army or navy, that may be in the cemetery of the city or its immediate vicinity.
At present but two such graves are known, but those of D. J. Duval of Company I, Oregon Infantry, and James Barclay of Company C, Oregon Cavalry, are, or should be, somewhere in the present cemetery. The former was buried in the old cemetery near the Presbyterian church, and presumably reinterred in the present cemetery.
Anyone possessing information as to the location of these or others of the veterans of the Civil War will confer a favor by imparting that information either to the committee, of which the undersigned is chairman, or to Post Commander A. Kershner of this city. Respectfully,
O. A. STEARNS.

WEAR A WHITE FLOWER IN MEMORY OF MOTHER

Next Sunday, May 14th, is set apart by the Grand Army of the Republic and the Women's Relief Corps for the observance of "Mother's Day," in memory of the wives and mothers of the soldiers who went to the front in the days of the nation's trial. The members of those orders and the Sons of Veterans are expected to wear white carnations or other white flower as buttonholes during the day, and arrangements have been made with Rev. George Fesse of Grace Methodist Episcopal church to preach a sermon appropriate to the occasion at that church on Sunday evening. Members of the post, of the relief corps, the Sons of Veterans and others who desire to participate, are expected to meet at post headquarters in the Library building, at 7 o'clock of that evening, and march to the church in a body for that purpose.
