**LET US CELEBRATE**

**KLAMATH FALLS IS SOON GOING**  
to have a paved thoroughfare  
from the depot to the bridge, and  
the completion of the work will be  
an event that should be celebrated  
with appropriate ceremonies. It  
means the beginning of a new era  
for this city. The program to be  
followed is one that will have to  
be worked out with care, and should  
include the customary events that  
mark occasions of this character.  
But one thing should be included  
in which all of the people should  
be able to participate. And what  
would be more appropriate than a  
dance on Main street, using the  
pavement as a great dancing floor?  
While it is true that at this time  
it may seem a little rough, it can  
easily be put in condition so that  
it will quite nicely answer the  
unique purpose.

The band could be divided into  
two or three parts and furnish music  
at different points on the street.  
This is an entertainment in which  
practically the entire population of  
the city could take part, and would  
be a fitting manner in which to  
inaugurate the opening of the street  
to the public.

If the city is to have a Fourth of  
July celebration, this opening of  
Main street could be made a part  
of the program of the day. The  
time is at hand when this city should  
wake up to the fact that there is  
something here. The completion of  
the pavement of Main street means  
the wiping out of old lines and the  
uniting of the city into one  
compact whole. So completely absorbed  
have the people of this city become  
in their own selfish pursuits that  
they seem to forget that there is  
a city here that needs some part  
of their time and attention; that  
there are under way and are  
prospective great enterprises that  
are to furnish the mammoth  
foundations of the great city that  
is to be built on the banks of the  
Klamath. With the prosecution with  
vigor of the reclamation works, the  
great municipal improvements now  
under way, the installation of a gas  
system, the construction of a street  
railway and the coming of two great  
electric systems, not to mention the  
building of the Modoc Northern and  
the Oregon Trunk, Klamath Falls has  
something to look forward to and  
beast of. Let the awakening begin  
with the great celebration that is  
to mark the opening of Main street  
to the public, and from that time  
on let every man work to the  
one end—a greater Klamath Falls.

**PORTLAND, May 22—Mrs. Esther**  
Rosenfeld appeared at the court  
houses yesterday afternoon to  
inquire how Max Rosenfeld secured  
a divorce from her May 12th. She  
was very much excited upon learning  
he had taken a decree, as instructions  
had been given her attorney, she  
said, to oppose the divorce.

According to the woman, Rosenfeld  
sent her to the country while he  
took the necessary steps for the  
divorce. She said he sent her and  
her father several miles from  
Portland to live on a ranch for  
the summer. Soon after she had  
located on the place she was  
informed the husband was after  
the divorce. She instructed an  
attorney to handle the case, and a  
few days ago she received a copy  
of the decree. Rosenfeld secured  
the divorce on the ground of cruelty.  
The woman declared she would  
demand that the matter be  
reheard.

**STEAMER KLAMATH IS  
MAKING DAILY TRIPS**

(Shippington Correspondence)

Commencing this morning the  
Klamath, one of the favorite  
steamers in the Klamath Lake  
Navigation Company's fleet, will  
make regular daily trips to Eagle  
Ridge Tavern and Rocky Point  
during the summer season. The  
steamer will leave here at 9 a. m.,  
and will return to the dock at  
5 o'clock in the evening. Captain  
Reed predicts a heavy travel to  
the popular lake resorts this season.

The big dredge is now engaged  
in dredging the marsh south of  
the channel already dug.

The steamer Klamath, which has  
been changed into an oil burner,  
has an oil car on the mill siding,  
and is pumping into a tank on its  
dock.

The dwelling houses on the flat,  
which have been in the water so  
long, are being moved to higher  
ground.

Large loads of sand are being  
dumped each day at the mill site  
at the end of the channel.

**APPLES FLOWED UNDER LAST  
FALL TURNED UP FRESH NOW**

HOOD RIVER, May 22.—That the  
willow flat section of the Hood  
River valley is a good fruit  
preservative seems evident from  
the fact that apples that had  
fallen under the trees last year  
at picking time and been plowed  
under this spring turned up  
in the finest of shape, and were  
as hard and firm as the day they  
were gathered from the trees.

**NORMAL TEACHERS OF '09  
CAN GET SALARIES NOW**

SALEM, May 22.—Oregon is now  
ready to pay off teachers in the  
defunct normal who were left  
short on their salaries in 1909.  
The total due the teachers  
amounts to \$30,000. The bill  
appropriating this became  
effective Saturday. Letters  
from the teachers show they are  
scattered over the entire union.

**A Modern Shop**

A representative of this paper had  
occasion to drop in the new  
plumbing establishment of Henry  
Bevin the other evening, and was  
surprised to find what a complete  
plumbing shop we have right here  
in Klamath Falls. In no city in  
Oregon outside of Portland could  
one find such an assortment of  
tools, both large and small,  
or such a complete plumbing stock.  
It is not necessary to send out  
of this city for anything in that  
line, for Mr. Bevin is prepared to  
attend to the needs of all in his  
line.

**G. A. R. MEMORIAL SERVICE  
AT M. E. CHURCH SUNDAY**

For many years it has been the  
custom for the members of the Grand  
Army of the Republic, the Women's  
Relief Corps and other similar  
organizations to attend some church  
on the Sunday preceding Memorial Day,  
when a special memorial service  
would be held. This year the  
services in Klamath Falls will be  
held Sunday evening at Grace Methodist  
Episcopal church, and the pastor,  
Rev. George Pease, is arranging an  
appropriate sermon and service for  
the occasion.

All members of the Grand Army of  
the Republic, the Women's Relief  
Corps, the Spanish War Veterans, the  
veterans of the Indian Wars, or of  
any other war, and the Sons of  
Veterans are urged to be at the  
Library building at 7:30 o'clock  
Sunday evening. From there the  
different organizations will march to  
the church.
