DESPONDENT GIRL ATTEMPTS SUICIDE

RUTH ALLEN IS IN A CRITICAL CONDITION FROM SWALLOWING CHLOROPFORM LINIMENT AND ATTACK OF APPENDICITIS

Suffering from an attack of appendicitis, despondent because she had not the money to undergo an operation, and despairing when the friends who promised to assist her failed to do so, Ruth Allen, aged 23, last night attempted to end her life by swallowing liniment containing a large proportion of chloroform.

The attempted suicide occurred at the room she and her sister, Pearl, occupy over a restaurant, where she is employed. The two girls had retired shortly after 10 o'clock, and the older, saying she would end it all, reached for the bottle, and before her sister could prevent her, had drunk nearly all of the fluid and sank unconscious.

This morning the girl was removed to a room at the Washington house, where she is under the care of a trained nurse. Miss Allen, on account of the action of the emetics, together with her condition as a result of appendicitis, is suffering considerably, but this afternoon Dr. Truax, who is attending, says she is getting along as well as can be expected.

Miss Allen has been suffering from appendicitis, and her doctor advised her that an operation was necessary. As she had not the funds some of her friends agreed to help her, and had promised to give her the money by last night at the latest. As they did not do so, she decided upon the rash act that came so near ending fatally.

TOMMY DAWSON MAY BOX HERE

KIAMATH ATHLETIC CLUB IS ENDEAVORING TO BRING CLEVER AUSTRALIAN AND BUD ANDERSON, VANCOUVER, TOGETHER

If the plans of the Klamath Athletic Club do not miscarry, there will be big things doing, from a boxing standpoint, in Klamath Falls on July 3d. Arrangements are now under way to bring Tommie Dawson, the clever 123 pounder from Australia, here on that date to box an exhibition with Bud Anderson, the Portland lightweight, who is croaking such a furor all over the Northwest.

Dawson is considered one of the fastest boxers who has ever worn the Union Jack for a belt. Since coming to this country he has cleaned up nearly everything in sight, the only one he has lost being one with Ad Wolgast. If the club is successful in bringing him here this will be one of the best bouts ever pulled off in Southern Oregon.

The name won by Bud Anderson is too well known in this section to need any special introduction. During the past winter he has pulled off several bouts in Vancouver, Wash., and the fans up Portland way hail him as a coming champ. He and Jimmy Fitten were matched, but the Vancouver authorities stopped the mitt game before they met.

In case Dawson does not come it is more than probable that Jimmie Fitten, the classy little boxer who trained Frankie Edwards for his first bout with Kid McEllan, will be signed up. The fans in Klamath county are strong for Fitten, and should he appear here he is bound to draw a crowded house. On account of the interest in a match between these two it is possible that several Portlanders would journey south to see the mix.

ONLY ONE COMPETENT TO TIE WEDDING KNOT

BAKER, May 26.—With a population of more than 25,000, and with the month of brides but a few days away, Baker county finds itself with but one minister competent to legally perform the wedding ceremony. This condition arises out of the failure of the preachers, with one exception, to register with the county clerk the evidence of their right to the privilege of a minister, as required by the law passed by the last legislature, before they are permitted to tie the matrimonial knot. Rev. J. Nelson Barry is the only minister who has qualified thus far.

He plugged into work at the office of Job Harriman, familiarizing himself with the California code, so as to be ready to take advantage of every point. He refused to say anything definite about whatever has been planned, saying that he was endeavoring to find out how the people of Los Angeles feel regarding the case. At present Darrow is planning the defense for the preliminary hearing, which has been set for June 1st.
