 ADVANCE IN PRICES ABROAD

WHAT prices have advanced in oth-  
 er parts of the world as well as  
 in the United States is evidenced by a  
 statement prepared by the bureau of  
 statistics, department of commerce  
 and labor, comparing import prices at  
 the present time with those of certain  
 earlier years. The import figures of  
 the United States government repre-  
 sent, under existing laws and regula-  
 tions, the prices of the articles in  
 question in the wholesale markets of  
 the country from which imported,  
 and a comparison, therefore, of the  
 average import prices of the principal  
 articles imported at the present time  
 compared with those of corresponding  
 periods in earlier years indicates, in  
 some degree, at least, the fluctua-  
 tion in prices in the countries from  
 which these articles are imported.  
 This comparison of prices is ren-  
 dered practicable by reason of the  
 fact that the bureau of statistics pub-  
 lishes in its summary of commerce  
 and finance a table showing the  
 monthly average import prices of the  
 principal articles brought into the  
 country, and states at the head of the  
 table that "the value of the goods  
 represent their value in the foreign  
 markets."  
 These statements of average import  
 prices are obtained by comparing  
 quantity with value for the period  
 in question, or, in other words, by  
 dividing the stated quantity of the ar-  
 ticle under consideration into the stat-  
 ed value thereof, and thus determin-  
 ing the import value per unit of quan-  
 tity. This table shows, for example,  
 August, 1911, at 11.8c per pound,  
 against 8.6c per pound in August,  
 1901, a decade ago; india rubber, an  
 average of 82.4c per pound in August,  
 1911, against 46.9c per pound in  
 August, 1901; clothing wool, 22.9c  
 per pound in August, 1911, against  
 12c per pound in August, 1901; comb-  
 ing wool, 23.9c per pound in August  
 of the present year, against 19.9c per  
 pound in August a decade ago; wax,  
 \$428.65 per ton in August, 1911, as  
 against \$216.82 in August, 1901;  
 hemp, \$210.10 per ton in August of  
 the present year, against \$165.61 in  
 August, 1901; tin plate, 3.9c per  
 pound in August of the current year,  
 against 3c in the corresponding month  
 a decade ago; tin in bars, blocks, etc.,  
 41.2c per pound in August, 1911,  
 against 26.5c per pound in August,  
 1901; and tea, 18.2c per pound in  
 August of the current year, against  
 13.3c per pound in the corresponding  
 month a decade ago.  
 Even in the single twelve-month  
 period from August, 1910, to August,  
 1911, a large number of articles show  
 a marked advance in prices. Coffee,  
 for example, which, as already indi-  
 cated, showed an average of 11.8c  
 per pound in August, 1911, averaged  
 7.8c per pound in August, 1910; rice  
 imports in August, 1911, averaged  
 3.1c per pound, against 2.4c per  
 pound in August a year earlier; co-  
 ment in August, 1911, 28.8c per hun-  
 dred pounds, against 28.4c per hun-  
 dred pounds in August of last year;  
 bananas, 29.8c per bunch in August  
 of the present year, against 27.6c per  
 bunch in August, 1910; currants, 4.8c  
 per pound in August, 1911, against  
 3.7c per pound in August of last year;  
 figs, 6.7c per pound in August, 1911,  
 against 5.3c per pound in August a  
 year ago; almonds, 14.5c per pound  
 in August of the present year, against  
 10.2c per pound in the corresponding  
 month of 1910; calf skins, 29.2c per  
 pound in August, 1911, against 24.1c  
 per pound in August, 1910; tin plate,  
 3.9c per pound in August of the cur-  
 rent year, against 3c per pound in

August, 1910; olive oil, edible, \$1.44  
 per gallon in August, 1911, against  
 \$1.39 per gallon in August, 1910;  
 black pepper, 5.2c per pound in Aug-  
 ust, 1911, against 7.3c per pound in  
 August a year ago; champagne,  
 \$16.48 per dozen quarts in August,  
 1911, against \$14.64 in August, 1910;  
 tin in bars, blocks, etc., 41.2c per  
 pound in August of the current year,  
 against 32.1c in August of the previ-  
 ous year; leaf tobacco, suitable for  
 wrappers, \$1.17 per pound in August  
 in August of last year; clothing;  
 clothing wool, 23.9c per pound in  
 August of the current year, against  
 30c per pound in August a year ago;  
 and wool carpets and carpeting, \$4.48  
 per square yard in August, 1911,  
 against \$3.47 in August, 1911.  
 This advance in prices, however,  
 does not extend to all articles. Ni-  
 trate of soda is materially lower in  
 price than a year ago—\$26.55 per  
 ton in August, 1911, against \$34.75  
 per ton in August, 1910; guano,  
 \$12.42 per ton in August, 1911, as  
 against \$25.79 in August of last year.  
 Cocoa is slightly less in average im-  
 port price, 22.2c per pound in Aug-  
 ust, 1911, against 23.7c per pound in  
 August, 1910; also copper, 11.4c per  
 pound in August, 1911, against 12c  
 in August, 1910; pig iron, \$27.19 per  
 ton in August, 1911, against \$24.09  
 in August, 1910; while copper, cotton  
 cloths unbleached, manila, hemp, sisal  
 grass, hides of cattle, raw silk and  
 lumber show a slight decline in Aug-  
 ust, 1911, compared with August,  
 1910.

**BACKACHE A WARNING**

Klamath Falls People Should Not  
 Neglect Their Kidneys

Backache is nature's most frequent  
 signal of sick or weakened kidneys.  
 To cure the pains and aches, to re-  
 move the lameness, you must reach  
 the cause—the kidneys. If you have  
 pain through the small of your back,  
 urinary disorders, headaches, dizzy  
 spells or are nervous and depressed,  
 start treating the kidneys with a test-  
 ed kidney remedy. The slightest  
 symptom of kidney trouble means  
 nature's warning of approaching  
 dropsy or fatal Bright's disease.  
 Doan's Kidney Pills should be used  
 at the first sign of disorder. Doan's  
 Kidney Pills are especially for sick  
 kidneys—have been curing kidney  
 trouble for over 75 years. Here is  
 convincing proof. It comes from this  
 locality:  
 Mrs. W. E. Paterson, 58 N. Califor-  
 nia street, Redding, Calif., says:  
 "Some time ago I used Doan's Kidney  
 Pills for backache and other symp-  
 toms of kidney trouble, and I am  
 glad to say that they helped me a  
 great deal. Since then, I have had  
 no occasion to use Doan's Kidney  
 Pills. I recommend them highly."  
 For sale by all dealers. Price 50  
 cents. Foster-Milburn Co., Buffalo,  
 New York, sole agents for the United  
 States.  
 Remember the name—Doan's—and  
 take no other.

**A Little Money Judiciously Spent Will Start a Home**

Probably not a pretentious  
 one, but if it is properly planned  
 it can be added to from time to  
 time and the money you save in  
 rent will fast accumulate. In be-  
 ginning, there are lots of frills  
 that can be dispensed with, and  
 you would be surprised if you  
 knew on how little capital some  
 of your friends started their  
 homes. A little debt to work for  
 will do wonders in setting you  
 and your family on the road to  
 prosperity.

**MARRIAGE FAILURE**

**REST CURE**

Matrimony is described by a prominent writer as being a "rest  
 cure." He then as it may, if you want to see one of the brightest  
 and most refined comedies of the world, don't fail to witness the pro-  
 duction of "The Marriage Failure" given at Houston's Opera  
 House, October 28 and 31.  
 Houston said that even if they didn't  
 know what they were laughing at, they would be one of the  
 best laugh provokers of the present. The play indicates, the  
 story is written around this question, "What is the greatest amuse-  
 ment of the world?" The play is still a sensible one. J. G. ... have or-  
 ganized an unusually good company of artists. This comedy  
 The scenery is appropriate and the wardrobe completing  
 one of the most pleasing productions of the season.
