Development of Country Threatens to Abate Unless Single Men Are Able to Toot in Double Harness—Earliest Appeal Sent Forth

SPECIAL TO THE HERALD

LAKEVIEW, Nov. 17.—The men in the vicinity of Silver Lake, Ore., want wives. They either have to have spouses or there will be nothing further in the development line unless it is done by the members of the fair sex who hold down claims in that part of the country and are so independent that a man dare not step over the line fence without being chewed by the dogs that some of the fair damsels have on the premises. The organization of a bachelors' club with about fifty members has brought forth the following preamble to the declaration that they make: "Believing in the rapid development of Northern Lake county, having demonstrated the fertility of the soil, built homes and accumulated

sufficient worldly goods for the protection of two or more, we, the members of the Silver Lake Bachelors' Club, find ourselves more paupers in the one essential to happiness and the full enjoyment of the home. We find Northern Lake county an Eveless Eden, and to eradicate this drawback to the country, we hereby devote ourselves to the sacred duty of bringing more Eves into the Garden of Love. Every girl will receive an answer to her letter, which will be kept confidential by the secretary or president, and if, in their judgment, the right kind of a man is in sight, the lady and the gentleman will be brought together in an endeavor to promote matrimony in that portion of the county that offers so much to all concerned. The officers are G. W. Marvin president, A. N. McCall secretary, E. F. Roberts, I. W. Martin and G. H. Looney vice presidents, and Earl Reed treasurer.

FIGHT PICTURES SHOW TONIGHT

REEL OF VIEWS REPRODUCING BIG PISTIC BATTLE AT SAN FRANCISCO WILL BE AT THE HOUSTON OPERA HOUSE

When the Wolgast-Moran pictures will be shown at the Houston opera house tonight there will likely be a throng of sporting fans such as has never before commingled in that favorite rendezvous. Those who were permitted last night to see the picture rehearsal, say that it is the last analysis of screen photography. There is much similarity in the arena and that in the Houston opera house, with the exception that the picture shows Billy Jordan, with his slightly noisy voice not attuned to the same melody as that of the great announcer of all, Louis Gerber. The pictures do not show Gerber, but the stride and avoidpols of Mr. Jordan indicate that Klamath Falls has a man who can fill the best announcing bill ever offered in this city. Hundreds of seats will be sold when the doors open tonight.

SEVERAL FEET DEEP

ALTHOUGH EVERY CLUE TO BAKOWSKI HAS BEEN FOLLOWED UP NO TRACE IS FOUND OF BODY OF MISSING MAN

SUPERINTENDENT W. F. ARANT OF CRATER LAKE NATIONAL PARK, WHO HAS RETURNED TO HIS TOWN RESIDENCE AFTER CLOSING THE SEASON OF THE PARK, REPORTS THAT THERE WAS THREE FEET OF SNOW WHEN HE MOVED OUT OF THERE LAST FRIDAY. THIS DEPTH LASTED FOR SIX OR SEVEN MILES ALONG THE WAY TO FORT KLAMATH, AND THEN BECAME SHALLOW, BEING SIXTEEN INCHES AT THE SAW MILL IN THE WOOD RIVER VALLEY AND A FOOT DEEP AT FORT KLAMATH. AS IT KEPT SNOWING IN THE MOUNTAINS FOR TWO OR THREE DAYS AFTER THIS, AS MR. ARANT OBSERVED BY KEEPING WATCH OF THE DISTRICT, HE BELIEVES THERE IS PROBABLY FIVE FEET OF SNOW AT THE PARK NOW.

AFTER COMING A SHORT DISTANCE FROM THE PARK WITH TWO HEAVILY LOADED WAGONS, THE DEPTH OF SNOW MADE IT IMPERATIVE TO LEAVE THE WAGONS ON THE ROAD AND GO ON TO FORT KLAMATH, WHERE A DOZEN HORSES WERE OBTAINED AND A ROAD BROKEN TO GET THE WAGONS OUT.

MR. ARANT SAYS THAT EVERY CLUE THAT WAS EVER GIVEN TO THE PARK AUTHORITIES BY WHICH THE BODY OF B. B. BAKOWSKI, THE BEAD PHOTOGRAPHER, WHO WAS LOST IN THE PARK LAST WINTER, PRESUMABLY FALLING INTO THE LAKE, HAS BEEN EXHAUSTED WITHOUT RECOVERY OF THE REMAINS. THE CAMP WHICH BAKOWSKI HAD LEFT WAS FOUND ABOUT 1 1/2 MILES BELOW THE RIM OF THE CRATER, DOWN THE ROAD. THIS WAS EVIDENTLY THE PICTURE MAN'S PERMANENT CAMP, BECAUSE AT IT WERE FOUND CLOTHING, BEDDING AND A SUPPLY OF MONEY IN THE POCKET OF A PAIR OF TROUSERS, CONSISTING OF A \$20 GOLD PIECE, \$1 BILL AND A 50-CENT PIECE. THERE WERE ALSO LETTERS, PAPERS AND RECEIPTS.

ON THE RIM OF THE CRATER, IN THE BASEMENT OF THE HOTEL, WERE FOUND BAKOWSKI'S CAMERA CASES AND A COAT, AND A QUARTER OF A MILE EAST OF THE HOTEL AT THE FOOT OF A VERY CRAGGY PORTION OF THE RIM, WERE HIS SNOWSHOES. MR. ARANT'S THEORY IS THAT THE EXPLORER, IN ORDER TO LIGHTEN HIS LOAD, LEFT HIS CAMERA CASES AT THE HOTEL BASEMENT, AND WALKED ON SNOWSHOES UNTIL HE REACHED THE CRAGGY RIDGE, JUST WIDE ENOUGH FOR A MAN TO CLIMB OVER, WHERE HE LEFT HIS SNOWSHOES TO CLIMB ALONG THE SAWYERED SUMMIT OF THE CLIFF. FROM THIS CLIFF HE IS SUPPOSED TO HAVE FALLEN PROBABLY 800 FEET INTO THE LAKE. AT THE POINT WHERE HE DROPPED FROM THE CLIFF THE WALL DROPS ABOUT 500 FEET STRAIGHT, AFTER WHICH IT SLANTS SLIGHTLY OUTWARD FOR AN EQUAL OR GREATER DISTANCE TO THE EDGE OF THE WATER.

MR. ARANT SAYS THAT WITH ALL HIS EXPERIENCE IN THE PARK IT IS HARD FOR HIM TO DETERMINE WHERE THE SNOW IS SOLID AND WHERE IT IS SOFT DRIFT AT THE DANGEROUS SPOT TO WHICH BAKOWSKI WAS TRACED, AND THAT IT WOULD BE A VERY NATURAL OCCURRENCE FOR A CLIMBER TO MAKE A MISTAKE AND LEAVE SOLID FOOTING.

THE CHANCES ARE THAT THE CORPSE WILL NEVER BE RECOVERED. A PHYSICIAN WHO VISITED THE PARK TOLD MR. ARANT THAT THE LOW TEMPERATURE OF THE WATER MIGHT MEAN THAT A BODY FALLEN IN THE LAKE WOULD NEVER RISE, OR, IF IT DID, IT WOULD QUICKLY SINK AGAIN.

Lyman Says Jail Food Injures Him, Wants Dentist, Claims Badly Used

SAN FRANCISCO, Nov. 17.—Alleging that he is treated "worse than a condemned prisoner," that he needs the services of a dentist, which the jailer won't permit, and that the food supplied him is injurious to his health Dr. John Grant Lyman, the indicted Los Angeles promoter, asked the United States circuit court here for a writ of habeas corpus to procure his release from the county jail. Despite Lyman's indictment at Los Angeles last week for misuse of the mails in connection with a Panamanian land scheme, he is held here on a charge of conspiracy growing out of his escape from Alameda county jail authorities. In his petition today Lyman declares that the charge against him does not constitute a public offense nor a violation of the federal laws.

Chief Clerk E. H. Louser of the White Pelican hotel, will leave Sunday for San Francisco, to return with about forty people who are to be a part of the crowd that will run the big new 102-guest-room hotel. He expects to return about Thursday. There will be some little time necessary before the opening of the hotel to get the employees familiarized with the building as well as their duties, and as they will be here about a week ahead of the housewarming Thanksgiving, the interim will be used for the training. The company of workers that Mr. Louser is to return with may travel by a special train over the Southern Pacific. Be sure and plan to attend the W. A. dance on Friday evening, November 24th, at Houston opera house.
