CONDENN FROZEN HALIBUT AS UNFIT FOR HUMAN FOOD

Many Tons Confiscated by Washington State Food Commissioner—Some of It Has Been in Storage for More Than a Year

United Press Service

SEATTLE, Nov. 29.—Declaring the fish unfit for food, State Food Commissioner Davis has condemned 320,000 pounds of frozen halibut in the storage plant of the United Warehouse company.

Some of it is a year old.

He is now inspecting turkeys and chickens before they are removed for the annual Thanksgiving rush.

THANKSGIVING BALL

The Klamath Falls Military band will give a ball on Thursday evening, November 30th, at Houston's opera house, which will be the first appearance of the complete organization since the close of the summer concert season. The instrumentation of the band has been greatly improved by the addition of two excellent clarinetists, Mr. Knapp of San Francisco and Mr. Mitchell of Spokane, and the organization is now in better shape to render good music in an artistic manner than ever before.

It is the intention to play a series of concert during the winter season, and the decision to make the first appearance a ball instead of a concert is due to lack of proper facilities for rehearsals of the sort necessary for concert preparation. This drawback is now about to be remedied, as Dick Guthridge of "The Palms" billiard hall is fitting up a room for the band which will be used as permanent headquarters the band having secured a year's lease.

The music for the ball will be played by the full band during the early part of the evening, and the remainder by an orchestra of eight pieces, a consolidation of Knapp's and the White Pelican orchestras.

From a musical point of view this dance will certainly be the biggest event of the season, and if the friends of the band are as staunch in their support as they have always been in the past the event will be a great success. 23-4t

JURORS COME HIGH IN THIS CALIFORNIA CASE

Only Two Obtained in Murder Case After Two Weeks' Effort, Which Brings Cost of Each to Over One Thousand Dollars

United Press Service

OROVILLE, Calif., Nov. 29.—With two jurors accepted after two weeks' effort, and at a cost of \$1,350 per juror, only eleven names remain in the special panel of fifty talemans at the trial of Arthur Lewis.

He is charged with the murder of little Helen Rumball, the child found hanging to a rafter in the garret of the Rumball home, Gridley.

Prospects for securing a jury seem as remote as ever. Another special panel probably will be called.

A Word With Women

Valuable Advice for Klamath Falls Readers

Many a woman endures with noble patience the daily misery of backache, pains about the hips, blue, nervous spells, hopeless of relief because she doesn't know what is the matter.

It is not true that every pain in the back or hips is trouble "peculiar to the sex." When the kidneys get congested and inflamed, there are many such aches and pains, and the whole body suffers.

You can tell it is kidney trouble if the secretions are dark colored, contain sediment; the passages are too frequent or scanty. Then help the weakened kidneys. They can't get well alone.

Doan's Kidney Pills have brought sound backs and new life and strength to thousands of suffering women. They are endorsed right in this locality. Read this woman's convincing statement.

Mrs. F. W. Longwill, 322 West J street, Grants Pass, Ore., says: "Doan's Kidney Pills have been used in my family with excellent results. I know what this remedy will do in cases of kidney trouble, and can therefore give it my hearty endorsement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
