

LINEMEN ARE BURNED BY CHARGED WIRE

GOVERNMENT EMPLOYEES FALL FROM POLE WHEN THE SHOCK COMES, AND ONE OF THEM HAS PAIR OF BROKEN RIBS

Fritz Kiehl of this city and Joe Snyder of Malin, were very badly burned and injured at about 5 o'clock last evening while repairing a telephone line for the government near the Stukel bridge.

The two men were in the employ of the United States reclamation service, and were working on the telephone line near the Steadman place when the accident occurred.

It is presumed that the telephone wires became charged in some way from the nearby electric power line, and both men fell to the ground from the pole they were on as the result of their coming in contact with the electric current. Mr. Kiehl was badly burned on the hands and body and had two ribs broken by the fall, while Mr. Snyder escaped with a number of severe burns.

Dr. L. L. Truax was called in attendance from this city last evening, and cared for the injured men. This morning he returned to the Steadman place in an automobile, and brought Mr. Kiehl to his home in this city. Mr. Snyder was taken to Malin.

LAWYER FOR SCHUEL RESIGNS FROM CASE

MAN INDICTED FOR TAKING SHOT AT GEORGE NORMAN ALSO HAD HIS BAIL RAISED ON DISTRICT ATTORNEY'S PLEA

George Schuel, indicted by the grand jury for having taken a shot with a .45 Winchester at George Norman on August 10th last near the four mill, was called before Judge Percy R. Kelly to plead last night in circuit court.

He was represented by Attorney C. M. O'Neill, who asked for more time in which to plead, and the court set 9 o'clock this morning as the hour. When the hour approached Schuel was without counsel, Mr. O'Neill having withdrawn from the case. The court appointed Fred H. Mills as attorney to represent the defendant, who pleaded not guilty.

When the grand jury indicted Schuel District Attorney Dell V. Kuykendall recommended to Judge Henry L. Benson that the amount of bail set by Justice of the Peace Charles Graves in holding Schuel to the grand jury be raised. The seriousness of the case led to the district attorney's recommendation being followed by the court, who set a higher amount of surety. Schuel got it.

TOMMY RYAN, FAMOUS PUG, RESIGNS FROM MULTNOMAH

Rumor That It Was Requested, Members of the Boxing Class Indicating That He Defended Himself Quite Too Vigorously

PORTLAND, Dec. 5.—Tommy Ryan, erstwhile middleweight champion of the prize ring, possessor of an automobile and wearer of diamonds, is no longer boxing instructor of the Multnomah Amateur Athletic Club.

Ryan's contract with the club was terminated at his request, so it was officially given out.

Back of the resignation, however, is a rumor that it was requested. Officials of the Multnomah Club formally

stated that Ryan's resignation was caused by his continued ill health—a bad cold—in this climate, which prohibited him from giving his best services to the club classes. Others, among them members of the boxing classes, intimate that he had beaten all the enthusiasm out of his pupils in an effort to protect himself from being hurt in the gymnasium.

PAYMENT FOR PAVEMENT IS STILL AWAITED

SUMS AGGREGATING \$35,000 ARE STILL DUE THE WARREN COMPANY AND UNPAID ON MAIN STREET IMPROVEMENT

Patience waiting, it is the young lady at the church, is the Warren Construction company for its payment for the balance due it on the Main street paving, the first three units. There is a deficiency of about \$15,000 which is for extras that the contract did not cover under the original estimate, while about \$17,000 is due from assessments unpaid.

Herman Force of the company was at the council meeting last night, and when the members displayed a sleepy tendency, including a leaning toward an adjournment, he jumped into the breach and asked them to take up resolutions on the subject of getting

in the money. They were too much bent on dispersing, so his request went by the board.

MIGHT SHOOT McNAMARAS RUMOR ABOUT COURTROOM

Every Man Who Enters Court Where Famous Anarchists Are Sentenced Is Searched to Prevent Outrage on Justice

United Press Service
LOS ANGELES, Dec. 5.—Every man who entered Judge Bordwell's court this morning was searched by Detective Brown and a picked force of men.

Brown said he had received information that an attempt might be made to shoot the McNamaras while they are being sentenced.

The McNamaras slept fairly well last night, and although they were

extremely nervous before being taken to the court house.

Both said, however, that they were willing to "take their medicine."

They said if they got a prison sentence they would both work for a parole, for which they will become eligible in seven years.
