GOOD RESOLUTIONS

THERE was more or less joy over the advent of the new Anno Domini, 1912, and quite a few people were glad to have the opportunity come for making good resolutions. Most people prefer to wait until the beginning of a new year for the installation of a new set and the turning over of a new leaf. While the coming of 1912 will hardly make Klamath Falls, or any other city, a Utopia, it will not be without its good influence.

There will be a lot of good intentions brought definitely into play. Some of them will work for a while, if not permanently. Others will linger shakily for maybe months, possibly only weeks, and still more will "die a bornin'."

But the net result will be some good. There is at least that much to be thankful for. Even if there were no other good things brought by passing another inflection of time it would be but right to appreciate the few good resolutions that will be given a start and be kept going.

"There's good in everything" is the substance of a saying somewhere in Shakespeare, and it very nearly hits the mark. There are some things which are generally looked upon as thoroughly bad, yet they leave with us a lesson.

Let us not forget that.

MUNICIPAL DANCE HALL IS PREACHERS PROPOSAL

Pastor of Church in Oakland, Calif., Believes the New City Auditorium Should Have Special Skating rink for Boys and Girls to Use

United Press Service
 OAKLAND, Jan. 1.—Suggestion that a new city auditorium here should include a municipal dance hall for boys and girls, a skating rink and other similar features has been made by the Rev. Albert Palmer, pastor of the Plymouth Congregational church in a letter to Commissioner of Public Health and Safety Fred C. Turner. It will be referred to the city council.

A Successful Policy

My policy of low prices, coupled with reliable goods, backed by a personal guarantee, has proven a winner. In spite of auction sales and special discount sales meant to catch the unwary, my Christmas trade was far greater than expected.

The reason is plain. As one customer remarked, after buying an article from me, "your price is 25 cents lower than one of the so-called special sales where they were giving 25 per cent discount."

I want your trade. One price to all, and that the lowest.
