**Capital and  
 Labor Must Be  
 Kept Busy**

In the right channels to keep  
 the nation prosperous. National  
 prosperity is the collective result  
 of local prosperity and "sound-  
 ness" is the mysterious thing  
 back of both. Confidence is nec-  
 essary in all walks of life to  
 bring success, for without it  
 there can be no future. Our own  
 town needs the confidence of its  
 people. A town is known by its  
 works just as a man is known by  
 his deeds. There is no better way  
 to show your confidence in the  
 town than to be known as a  
 home owner and no quicker way  
 to gain your share of the inde-  
 pendence for which our Revolu-  
 tionary fathers fought than to  
 own a home. Better start today  
 —come in and talk it over with  
 us—we can give you a good idea  
 of the total cost as well as the  
 kind of timber you'll need.

**FARMERS GIVEN EXAMPLE**

**A** EXAMPLE of what can be done  
 by an energetic farmer in  
 Klamath county has been shown by  
 the new settlers in the Bohemian col-  
 ony near Malin. It has been the gen-  
 eral belief that sugar beets could be  
 raised with good profit in this county,  
 but it remained for our new Bohemian  
 settlers to demonstrate that Klamath  
 county excelled practically any other  
 section in the United States. In a  
 letter to this paper W. H. Holleman,  
 engineer in charge of maintenance of  
 the Klamath project, who has been in  
 Washington the past few months,  
 says:

"Last spring I was able to begin  
 some definite work with sugar beet  
 experiments among Klamath farmers. I  
 distributed about 200 pounds of  
 beet seed among the farmers, obtained  
 from the Department of Agriculture at  
 Washington. Captain Applegate also  
 supplemented the distribution work.  
 During the season I kept pretty well  
 in touch with the work, though in the  
 fall at about the time for the seed  
 work to begin I was detained for some  
 work at Washington. Resulting from  
 this the matter of sending in samples  
 for analysis rather lagged, though I  
 believe enough representative samples  
 came in to demonstrate what we  
 wished.

"The showing made is very fine. I  
 have prepared a sort of summary and  
 made an article herewith enclosed. If  
 I can do anything to further sugar  
 beet matters for Klamath let me  
 know. I will be here until the 15th  
 or thereabouts, I think."

**SOME FACTS CONCERNING YOUR WATCH**

The balance wheel in modern  
 watches makes one revolution each  
 time the watch ticks. The watch ticks  
 five times each second, 300 times in  
 one minute, 18,000 times in one hour,  
 432,000 times in one day and 157,  
 680,000 times in one year.  
 A variation of 1-1,000 part in the  
 vibration of the hair spring which  
 controls the balance wheel will make  
 a difference of fifteen minutes in one  
 day.  
 If the watch owner will think a mo-  
 ment he will see that it is necessary  
 to give the watch fairly good treat-  
 ment in order to get good time out  
 of it.

**A Sprink of Dust,**  
 raised oil, cracked jewels, loose  
 screws and many other things will  
 spoil the delicate adjustment.

As an expert of many years experi-  
 ence in watch repairing I solicit your  
 patronage, and guarantee all my work  
 to give satisfaction.

 If This Medicine Does Not Satisfac-  
 torily Benefit You.

Practising physicians making a spe-  
 cialty of stomach troubles are really  
 responsible for the formula from  
 which Hessel's Dyspepsia Tablets are  
 made. We have simply profited by  
 the experience of experts.

Our experience with Hessel's Dyspepsia  
 Tablets leads us to believe them to  
 be an excellent remedy for the relief  
 of acute indigestion and chronic  
 dyspepsia. Their ingredients are work-  
 ing and healing to the indolent mem-  
 branes of the stomach. They are rich  
 in pepsin, one of the greatest digestive  
 aids known to medicine. The relief  
 they afford is almost immediate.  
 Their use with persistency and regu-  
 larity for a short time helps to bring  
 about a cessation of the pains caused  
 by stomach disorders.

Hessel's Dyspepsia Tablets aid to in-  
 crease healthy appetite and digestion,  
 and promote nutrition. As evidence  
 of our sincere faith in Hessel's Dys-  
 pepsia Tablets, we ask you to try  
 them at our risk. If they do not  
 give you entire satisfaction, we will  
 return you the money you paid us  
 for them, without question or formal-  
 ity. They come in three sizes, priced  
 25 cents, 50 cents, and \$1.00. Re-  
 member, you can obtain them only  
 at our store—The Hessel Store

**LIQUOR QUESTION NOT  
 IN STATE OF ARKANSAS**

Senatorial and gubernatorial cam-  
 paigns resume after break which  
 extended over holidays, and news  
 of Texas are supplied.

**LITTLE ROCK, Ark., Jan. 9.**—Fol-  
 lowing a truce extending over the hol-  
 idays, the senatorial and gubernatorial  
 campaigns in Arkansas have re-  
 opened with renewed activity on all  
 sides.

Topic of intensive hearing on the  
 liquor question are being distributed  
 from the headquarters of Governor  
 Donaghey, who is a candidate for a  
 third term.

Similar activity is displayed in the  
 camp of Congressman Joe T. Robinson,  
 who is Governor Donaghey's oppo-  
 nent for the nomination.

Equaling the gubernatorial contest  
 in public interest and surpassing it in  
 bitterness is the senatorial fight be-  
 tween Senator Jeff Davis and former  
 Congressman Brundidge.

 President Taft yesterday told callers

 court candidates that he had decided

A letter fight is forecast in the sen-
