Capital and Labor Must Be Kept Busy

In the right channels to keep
 the nation prosperous. National
 prosperity is the collective result
 of local prosperity and "con-
 fidence" is the mysterious thing
 back of both. Confidence is nec-
 essary in all walks of life to
 bring success, for without it
 there can be no future. Our own
 town needs the confidence of her
 people. A town is known by its
 works just as a man is known by
 his deeds. There's no better way
 to show your confidence in the
 town than to be known as a
 home owner and no quicker way
 to gain your share of the inde-
 pendence for which our Revolu-
 tionary fathers fought than to
 own a home. Better start today
 —come in and talk it over with
 us—we can give you a good idea
 of the total cost as well as the
 kind of timber you'll need.
