WHAT'S THE REASON?

Many Klamath Falls People in Poor Health Without Knowing the Cause There are scores of people who drag out a miserable existence without realizing the cause of their suffering. Day after day they are racked with backache and headache; suffer from nervousness, dizziness, weakness, languor and depression. Likely the kidneys have fallen behind in their work of filtering the blood, and that is the root of the trouble. Look to your kidneys, assist them in their work—give them the help they need. You can use no better remedy than Doan's Kidney Pills. Below is grateful testimony from a sufferer in this locality. Mrs. M. L. Merrill, 219 South street, Redding, Calif., says: "For some time I had severe pains in the small of my back and hips, and was so lame that I could hardly get out of bed without assistance. My kidneys were weak, and I was caused much annoyance by irregular passages of the kidney secretions. I finally began using Doan's Kidney Pills, and I was soon free from kidney trouble. Doan's Kidney Pills have my highest endorsement." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. PINCHOT OPPOSING CUT IN FIRE FIGHTING ALLOWANCE

Urges Portland Mayor and All Public Organizations, to Have Rescinded House Forestry Committee's Recommendation PORTLAND, Feb. 7.—Mayor Rushlight has received a telegram from Gifford Pinchot, former chief forester of the United States, urging the mayor and all public bodies of the city to use their efforts to have the recommendation of the house committee on forestry in the national congress rescinded. The committee recommends that the annual appropriation for the fund devoted to the fighting of forest fires and their prevention by the construction of trails, roads and telephone lines, be reduced by more than \$1,000,000. Following is the substance of the telegram from Mr. Pinchot: "House committee reduces appropriation for fighting forest fires and their prevention by more than \$1,000,000. I urge you and all public bodies of Portland to co-operate to get this money back. Telegrams from you and official organizations to members of congress are urgently needed. If this cut stands it means grave danger to human life and public property. Remember the disastrous forest fires of 1910."
