

EXPERIMENTAL FARM IS NOT FORSAKEN

DEPARTMENT OF AGRICULTURE DID NOT, AND RECLAMATION SERVICE COULD NOT, APPROPRIATE FUNDS

Lack of funds and not an intention to abandon the experimental farm at Ady was given this morning by Project Engineer W. W. Patch of the reclamation service, as the reason for the quiet which has prevailed there lately. It seems that the department of agriculture, which had been furnishing the funds for the work on the farm failed to have an allotment for the experimental work last season, and for that reason no work was done. The law prohibits the reclamation service from diverting any of its funds for work in that direction, so that the situation is that the agriculture department did not and the reclamation service could not furnish money for the undertaking.

The forty acres which the government leased from Abel Ady is fenced, and the lease has about ten years to run. An additional 100 acres were leased for a short term, which has about a year to run, and this lease will not be renewed. The reclamation service had the implements and portable paraphernalia used at the farm carted away and stored, in order to keep them from being stolen or tampered with.

So far the government has expended \$15,078 on the experimental work at the farm.

REAL ESTATE DEAL IN CITY IS IMPORTANT

TRANSFER OF CORNER AT SEVENTH AND MAIN TO J. C. BROCKENBROUGH, ACTING FOR RELATIVES

J. C. Brockenbrough, acting for Misses Mary E. and Jessie R. Jones, sisters of Mrs. Brockenbrough, yesterday bought from W. B. Barns, J. P. Taber and J. D. Walsh, for \$18,500 cash, the property, 45x120 feet, at the southwest corner of Main and Seventh streets. On the lot is a two-story frame building, the ground floor being used as storerooms for Ramsby's Express, M. Moteschenbacher, Davenport's jewelry store and Miss Bloomington's confectionery. The upper story is used by H. R. Dunlap, the rooms being part of the American hotel adjoining, of which he is proprietor.

The deal includes not only the grounds and building, but the furniture in the rooms upstairs, as well as the furniture of part of the rooms in the hotel, or of sixty rooms in all.

All the property involved is under lease to present occupants until January 1, 1913.

PRINT THE CHARTER IS THE COUNCIL'S ORDER

NEW INSTRUMENT TO FURNISH GOVERNMENT FOR CITY, IF ADOPTED, IS READY FOR TYPOGRAPHICAL FINISH

At council meeting last night the new charter was not sprung by Mayor Fred T. Sanderson and City Attorney Horace M. Manning, but a resolution adopted providing for its printing developed the fact that the instrument is complete and ready for typographical treatment. It will probably be offered at the next council meeting.

The council has been doing gun shoe work on the charter in order to free itself from the annoyance necessarily involved when such a measure or enterprise is handled in the open. All the council have seen the document and know its contents and believe, for the greater part, that it will, if adopted, prove sufficiently adequate for the needs of the city for some years.

of the city, which they found decidedly surprising.

Unfortunately for the visitors the weather has not been propitious, but they were circulating today and enjoying themselves despite the elements. Tomorrow morning they will leave for Grants Pass, where there is to be a reception in their honor.

From there they return to Eugene.

BILLS ARE PAID BY CITY PATERS

NUMBER OF LITTLE FINANCIAL OBLIGATIONS PRESENTED TO ATTENTION OF COUNCIL FOR ACTION

Bills allowed by the council last night were as follows:

George C. Hale, supplies for fire department \$45.00

Charles Humphrey, labor on hose house 7.50

Jess Hunsaker, labor on hose house 7.50

Louis Biehn, bridge street fill 75.00

O. K. Transfer Co. 1.75

Ramsby's Express 3.50

Ramsby's Express 3.50

The bill of the Klamath Falls Lishi and Water company for January, which totaled \$444.95, and which, at a former meeting of the council had the light item, \$207.20, cut to \$145.04, to make payment at 2 1/2 cents instead of 5 cents, was read and not acted on. The warrant drawn for the amended amount has not been taken by the company, which makes the second sliced bill the corporation has declined to remove from the custody of Police Judge Thomas F. Nicholas.

FRED PETERSON
Candidate for County Superintendent of Schools

If nominated and elected I promise a vigorous and progressive administration of schools. I will lend my best efforts toward furthering the movement for industrial education. Will endeavor to make the schools serve the best interests of all the people.

I was born in Knox county, Illinois, thirty years ago; attended Dixon college two years; taught district school three for two years; came to Klamath county in 1905; taught district school for one year; graduated from the S. O. Normal school in 1907; served as principal of schools at Amity, Ore., two years, and am now serving my third year as principal at Bonanza.

I am not in this race as an unwilling victim of the importunities of friends, but because I wish to serve the people of this county as superintendent of schools.

16-6t FRED PETERSON.

"I suffered habitually from constipation. Doan's Regulets relieved and strengthened the bowels, so that they have been regular ever since."—A. E. Davis, grocer, Sulphur Springs, Tex.

Constipation, if Neglected, Causes Serious Illness

Constipation, if neglected, leads to almost innumerable complications affecting the general health. Many cases of typhoid fever, appendicitis and other severe diseases are traceable to prolonged clogging of the bowels. Regarding the effects of constipation, C. E. Ayers, 6 Sabin St., Montpelier, Vt., says: "I was afflicted with constipation and biliousness for years, and at times became so bad I would become unconscious. I have been found in that condition many times. Physicians did not seem to be able to do me any good. I would become weak and for days at a time could do no work. Not long ago I got a box of Dr. Miles' Laxative Tablets, and after using them found I had never tried anything that acted in such a mild and effective manner. I believe I have at last found the remedy that suits my case."

Thousands of people are sufferers from habitual constipation and while possibly realizing something of the danger of this condition, yet neglect too long to employ proper curative measures until serious illness often results. The advice of all physicians is, "keep your bowels clean," and it's good advice.

Dr. Miles' Laxative Tablets are sold by all druggists, at 25 cents a box containing 25 doses. If you find satisfaction, your money is returned.

BALLARD MOVES SALOON UP TOWN

GETS PERMIT FROM COUNCIL FOR TRANSFER OF LICENSE TO CORNER DU FAULT BOUGHT OF SANDERSON

Ed H. Du Fault has bought from Mayor Fred T. Sanderson the Goodrich corner at the southeast corner of Main and Seventh streets, for \$12,000. The property fronts 24 feet on Main street. The Goodrich store effects have all been removed from the property, which was formerly occupied by the Sanderson Bros.' store.

J. Keat Ballard last night got a permit from the council to remove his saloon from 68 Main street to the property above described.

IS FIRE LIMIT ORDINANCE GOOD

COUNCIL RESOLVES TO HAVE CITY ATTORNEY DRAW PAPERS TO ACCUSE BUILDERS WITHOUT PERMIT

When Councilman Charles McGowan wanted to get the opinion of City Attorney Horace M. Manning on the legality of the fire limits ordinance for the edification of the council Manning was not present, having gone early in the game.

A motion was made by Councilman Russell A. Alford to have the city attorney draw up necessary papers to bring before Police Judge Thomas F. Nicholas the persons who put the front in the 34th street store room to be occupied by the Klamath Falls dye works. The front was put in without a permit from the council. The motion prevailed.

MAIN STREET'S RUNAWAY SCENE

DELIVERY COMPANY'S TEAM MAKES LIVELY SPURT FROM VAN RIPPER STORE UNTIL ONE FALLS DOWN

A team of horses drawing a wagon belonging to the delivery company ran away on Main street about 2:30 o'clock this afternoon, creating more than the usual excitement on the principal boulevard of the city.

The team started from the Van Ripper store and ran down past Houston's opera house. Here one of the horses fell, and this stopped the flight. The horse was not hurt. A large crowd of interested and curious human beings flocked to the street to see what was doing.

ANTI-CONSUMPTION CAR TO CARRY ON EDUCATION

Baltimore & Ohio Railroad Fits Up One According to Plans of Maryland Association for Prevention of Tuberculosis

United Press Service
BALTIMORE, Feb. 16.—In building an anti-tuberculosis car to be used in carrying on a campaign of education against the dread disease, the Baltimore & Ohio railroad has joined the crusade against the white plague. The car is now completed, and arrangements were yesterday finished for its dedication.

Governor Goldsborough will formally open and inspect the car. Other municipal authorities and railroad officials will take part in the ceremonies marking the occasion.

The car is to be enameled in white, inside and outside, and has been fitted up according to plans of the Maryland Association for the Prevention of Tuberculosis.

Make Houses Connect Toilets
Last night at the council meeting there prevailed a motion of Councilman G. W. White to have Mayor Fred T. Sanderson instructed to take action to make five places in the city connect their toilets to sewers.

of the plans, progress and cost of irrigation works on the part of Water Users' associations will promote good will and harmony between the representatives of the government and the water users, we recommend that hereafter complete plans and specifications of any work contemplated on any project shall be delivered to the project Water Users' association before the work begins; we further recommend that itemized semi-annual reports of all charges and expenditures under any irrigation project shall be furnished to the officers of the Water Users' association under such project.

"We favor such administration of the reclamation act as shall provide that before any contract for the sale of power developed by any reclamation project is made, it shall first be submitted to and approved by the officers of the Water Users' association under such project.

"We hold that adequate provision should be made for the disposition of sewage and waste waters in irrigable areas under reclamation projects."

Mr. Ady said this morning that these suggested changes are the very things the water users have been trying to get, and which have been strongly opposed by the department of the interior.

WIFE APPEALS AS HUSBAND DIES

WELL KNOWN INDIAN DIES IN ARIZONA FROM CONSUMPTION, AND MONEY IS REDEEMED FOR THE FUNERAL

Sheriff William B. Barnes is this afternoon in receipt of a telegram from the wife of R. H. White, telling of his death from consumption at Yuma, Ariz., and asking for funds.

The Whites are well known Indians and went to Yuma last fall in the hope of benefitting the health of the husband. The sheriff is unable to meet the request for the amount asked by Mrs. White and believed publication might induce friends of the couple to some forward and help them. Following is the telegram:

"Mr. R. H. White died last night, and we are in need of some money to ship his body home. Will pay you back as soon as we reach the Falls. Can you send \$500? Telegraph immediately."

At San Quentin, Calif., penitentiary today, Edward Delehantle, negro, ran amuck in the breakfast line with a knife improvised from a file, fatally stabbing William Kaufman, who killed Policeman William Robinson of San Francisco, and William Peterson, burglar, from San Francisco.

Detective William J. Burns said in Indianapolis today: "Gomper is shaking hands with himself too soon. This investigation is not over yet, by any means." All the indicted labor men save four have been arrested.
