INDICT THREE RAILROADS FOR ALLEGED REBATING

Charge Is That Method Was to Re-fund Part of Burlesque Companies' Fares by Paying Excessive Prices for Theater Program Advertising

CHICAGO, Feb. 23.—The United States grand jury has returned indictments against three railroads, two passenger agents and a number of theatrical concerns charging them with rebating in the transportation of burlesque companies by a scheme whereby the railroads paid excess prices for advertising on theatrical programs.

Indictments were returned against the Big Four, Michigan Central and Lake Shore railroads and Passenger Agents Harry Rhein and William Underwood; Rud Hyneka of Cincinnati, a lieutenant of George B. Cox, former political boss of that city; James Fennessy, a manager of a burlesque company; the Heuck Opera company of Cincinnati; the Enquirer Circuit company of Cincinnati and the Columbus Amusement company of New York. It is alleged the companies rebated 25 per cent of railroad fares.

CITY PRIMARIES FAIL TO CHANGE MATERIALLY

Total Vote at Metropolis of Northwest Is About Four-Fifths of Registration—Socialists Have Men on Ticket

SEATTLE, Feb. 23.—With 233 precincts out of a total of 281 heard from, results of the city primaries here remain practically unchanged.

Former State Senator George F. Cotterill, progressive democrat, and Hiram C. Gill standpat republican, former mayor, who was recalled last year, are the nominees. Thomas A. Parish, republican, ran third, and M. A. Wells, socialist, was a close fourth, with nearly 9,000 votes cast for him. The socialists nominated E. J. Brown for corporation counsel, Frank Hillebrand for comptroller, and B. F. Jacobs and John Burgess for councilmen. It is estimated that the total vote was about 60,000 out of a total registration of more than 74,000.

TAFT AGAINST FEDERAL OWNERSHIP OF WIRES

WASHINGTON, D. C., Feb. 23.—President Taft opposes government ownership of telegraph lines, the pet project of Secretary Hitchcock. Today he aired his views on the matter in a special message, submitting the report of the postal commission, approving its recommendations that rates on newspapers and magazines be doubled from 1 to 2 cents a pound, this will cost the publishers from \$7,000,000 to \$10,000,000 more annually. The message with the commission's report makes 50,000 words—one of the bulkiest messages President Taft ever sent.

INVITATION TO JOHNSON DOWNED, THEN HONORED

Joker for Constitutional Convention's Consideration Worked in, Followed by Adverse Action—Body Later Recovers Poise and Acts Seriously

United Press Service

COLUMBUS, Ohio, Feb. 23.—By a vote of 49 to 45 the constitutional convention tabled a resolution inviting Governor Johnson to address the convention. This was following an attempt to make a farce of it by adding the name of Champ Clark and a further amendment to have the members of the initiative and referendum caucus act as a bodyguard for Johnson.

Later—the convention reconsidered and voted to invite Governor Johnson to address it. Amendments to the Johnson resolution inviting Senators Burton and Pomerene and ex-Senator Foraker to address the convention also carried.

MONEY VALUE IN BRADLEY HARNESSES

Price alone proves nothing—Price and quality together determine money values. The best goods cost least by week, month and year. In offering our hand-made harness we give the most value, price and quality considered, that money can buy. We have no quarrel with the man who asks the local business man to buy his produce and sends his money to some concern a thousand miles away and its true none of this money ever comes back to help develop Klamath County. We ask you to compare our prices with your catalogue house. The other harness compares equally as well.
