Advantage of a Little Store

A little shop means little rent. Few in help means little spent. Little spent in running store. Means attractive prices inside the door.

I have the smallest jewelry store in Klamath Falls. I hire no help. I pay small rent. This saving in expense enables me to sell goods on a very close margin. If you are on the market for anything in the jewelry line call and see my prices before buying.

"HANDCUFF KING" PUT IN SHACKLES

GUERIN, HAVING EXHIBITED IN KIAMATH FALLS, IN UNDER ARREST FOR STEALING MILK CAN USE DILKHE

C. A. Rose, alias Guerin, who is said to be known as the "Handcuff King," and who claims that he is able to escape from any shackles that the police may put on him, is under arrest at Woodland, Calif., and Detective Hyde is on his way there to bring the man back to Portland to answer to a larceny complaint made against him by J. A. McGill. Rose is alleged to have stolen a milk can valued at \$300, that is used in theatrical exhibitions. Hyde is said to have equipped himself with shackles from which even Rose cannot escape, and will bring the prisoner back in them. Guerin showed here last fall at the Houston opera house. Besides removing handcuffs and ropes, he nightly made his escape from an immense can after the cover was secured with padlocks. He gave a lengthy history of his famous can, but now it seems that it was nothing more than a large milk can, which it is claimed was stolen.
