

STRIKE CHILDREN RETURN HOME SINGING AND HAPPY

United Press Service
NEW YORK, March 30.—Singing the "Star Spangled Banner, 240 of the "children of the strike" returned to their homes in Lawrence, Mass., today. All were dressed in new clothes and were well fed. They little resembled the crowd of of puffy, half-starved little ones that left the stricken town such a short time ago.

FOURTEENTH BANQUET

The Fourteenth Club tendered a banquet to its many members and friends Wednesday evening at their place of meeting, and a very enjoyable time was enjoyed by all. The banquet proved to be quite a success, and the efforts to which the committee had so earnestly striven were well repaid. Games and other means of amusement were indulged in, thus rendering the evening's program complete. The members who had made such elaborate preparations for the enjoyment of the others, and who are more than pleased with the hearty approval with which their efforts were met, feel justified in arranging similar parties in the near future.

Prosecuting Attorney D. V. Kuykendall returned last evening from Salem, where he went on legal business. While away he spent a few days at his old home in Eugene.

It is predicted that within three weeks, and possibly two, Tate will have enough delegates pledged to insure his nomination on the first ballot. Tate's claim two hundred and seventy-four delegates already. Five hundred and thirty-nine are necessary to nominate.

Mr. C. Potts, who came here recently from Grants Pass and was looking the country over to see what opportunities could be taken advantage of, has decided to lease the dining room of the Houston hotel and will run a first class cafe there. He is more than pleased with the prospects which are presented in this city and consequently will remain here and boost with the rest of the progressives.

TWO THOUSAND STRIKE: MORE EXPECTED TONIGHT

United Press Service
WHEELING, W. Va., March 30.—Anticipating a general strike order, two thousand miners of Belmont County, Ohio, struck today, and the rest of the miners in the county are expected to strike tonight.

COURT CASES

Attorney F. H. Mills has just been notified by wire that the motion for a rehearing of the Frank Courtade homestead case has been denied by the secretary of the interior. The land in question is in township 37 south, range 7 east, in the vicinity of Pilean Bay, and Mr. Courtade's homestead filing had been turned down by the general land office. The land was also covered by four timber filings by Lyle Mills, Elm, Herb and Robert Baldwin. Each of these timber filings covered forty acres of the Courtade claim and 120 acres of other land on which homestead filings have since been allowed. The timber claimants will therefore be allowed to secure forty acres each.

GRANT WINS HOMESTEAD
A decision has just been given by the general land office in the contest of the government against the homestead entry of Jay Grant, in which the decision is in favor of the homesteader. Mr. Grant's place is six miles west of Klamath Falls.

PUBLICITY GETS RESULTS

A. A. Ford arrived in this city from Kansas last evening, and is looking the country over to see how best he can take advantage of the golden opportunities which prevail in this part of the country. Mr. Ford has five sons, and it is his expectation to locate in this vicinity and give them a chance to help make a name for themselves. It was the advertising matter, says Mr. Ford, that induced him to make a trip to this country, and he has found things just as represented and even better. Judging from such a statement and many others that are coming in every day, the secretary of the Chamber of Commerce, C. T. Oliver, is reaping the rewards of his untiring efforts in trying to induce settlers to come here.

A Word With Women

Valuable Advice for Klamath Falls Residents

Many a woman endures with noble patience the daily misery of headache, pains about the hips, blue, nervous spells, hopeless of relief because she doesn't know what is the matter. It is not true that every pain in the back or hips is trouble "peculiar to the sex." When the kidneys get congested and inflamed, there are many such aches and pains, and the whole body suffers. You can tell it is kidney trouble if the secretions are dark colored, contain sediment; the passages are too frequent or scanty. Then help the weakened kidneys. They can't get well alone.

Doan's Kidney Pills have brought sound backs and new life and strength to thousands of suffering women. They are endorsed right in this locality. Read this woman's convincing statement.

Mrs. F. W. Longwill, 523 West J street, Grants Pass, Ore., says: "Doan's Kidney Pills have been used in my family with excellent results. I know what this remedy will do in cases of kidney trouble, and can therefore give it my hearty endorsement." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

monial meetings on Wednesday evenings at 8 o'clock. All are invited to attend these meetings.

Also Sunday school Sunday mornings at 10 o'clock. All children are invited to these Sunday school services. Subject for Sunday morning, "Reality."

Rambler Motor Cars
The Rambler Cross Country—\$1650
Here Is a Story of Real Comfort
Here is a car that appeals to all your senses. Graceful in lines, distinguished in color, long and low hung—it's pleasing to the eye. Steer in and you will marvel at the feeling.
Settle down in the deep cushions at the big eighteen inch steering wheel—stretch out your legs and know what comfort is. Start the motor and you will sense its silent dignity and power. It runs without vibration.
Ride In Careless Ease
Take to the open road and at the first release of the clutch its silent action deceives you for the moment. You wonder if the motor has stopped. Open the throttle and away it springs with eagerness. You ride on and on in careless ease and the farther you go the satisfaction of comfort grows.
This is a car for relaxation—for perfect ease. The wheel base is 120 inches, the wheels and tires 16 1/2 and the straight line torpede body swings low between the axles—three inches lower than the ordinary car.
Notice the rake to the steering column. It's adjustable. You can settle down for mile after mile. Your arms are free; your legs are cramped. The wheel is just in the right place to see the road ahead. To steer is but to touch the wheel.
Steer Without Friction
When you hit a stone the wheels don't turn sharply. When you want to turn it guides as without a point of friction. There's no whip to the wheel—no bind—just a pleasing flexibility.
You sink down with pleasure into the eight inch up.
Ten Other Styles, including Open and Closed Cars of 28 and 50 Horse Power
Equipment—Brush duplex ignition. Fine large, black and nickel headlights with gas tank. Black and folding robe rail; foot rest, lock, pump and tire air. Top, with curtains, 10-wind shield, 20" Down-curtain. Wheel, less tire, with brooches and tools, 28" Gas Operated Self Starter, etc.
