### Where is the Whole?

Half a field spaniel is missing, also half a Chesapeake spaniel. Combined, the two form one dog, he being known as Pat, and a familiar figure to habitues of the circuit court, as are the property of R. M. Richardson. court reporter, who reports them as missing for the past two days.

### SINGING TIGER TRAINER LOSES VOICE IN SCREAM

SAN FRANCISCO, April 5 .- Mme. Ricardo, a lion tamer, known as the "singing girl in the tiger's den," is speechless as the result of an attack upon her husband by a bear at Oakland. The woman was one of the few in the gathering at the Shriner's circus who realized her husband's peril. When the grizzly bore her husband to the ground the woman screamed for assistance. Ricardo remained quiet, covering his head and face with

Mme. Ricardo attempted to sing. but found that she had lost her voice. Physicians fear it may not return Ricardo escaped injury.

# FOR LUMBER FOLK

TWENTY-SIX FOOTER OF EXCEP-SONS FOR ALGOMA COMPANY

Telford & Sons, the boat builders, are just completing a fine new launch for the Algoma Lumber company for use on the Upper Lake. The launch is 26 feet long, with a 6-foot beam, and will be sufficiently large to carry about fifteen passengers.

Eastern oak is used for the ribs and stem, and all the other lumber in the boat is native wood. Yellow pine is used for the planking, the and selected fir is used for all the fin- cent. ishing.

The boat will be equipped with an 18-horsepower, four-cylinder Niagra motor. It is built with a half cabin removable top, and will be fitted with COLORED BORGIA SAYS machinery are under cover in the front of the boat, and will be operated by a wheel, or auto control. The Telfords are also working on a contract for six clinker row boats for the Crater Lake company, for use on

### McCALL PICKED FOR INSTRUCTOR

LINE TO GET MAN FOR POSI-TION OF AGRICULTURAL IN-STRUCTOR AFTER ALL

It is to be assumed, at least for the present, that the high school is to have an instructor for the agricultural department. F. L. Griffin's resignation after his having been accepted by the school board in this city for the office of instructor here. ems to have thrown things in a muddle. At the time that Principal Faught visited the state agricultural college at Corvallis last winter, it was the agreement between the two men that the institution would furnish a man for the work at the local high school, even though they had to TIONAL COMPOSITION BEING give one of its own faculty. When Mr. TURNED OUT BY TELFORD & Griffin was recommended by the coliege and the local authorities had agreed to his terms, it was then thought that it was all cut and dried as to an instructor for the department here. When he resigned it remained for the college authorities to make good their agreement, which they have done, according to a recent letter received by Principal Faught. The man chosen by the college is Max A. McCall, an instructor in the depart-
