**TALK ABOUT LUMBER LASTING--**

Why, it is about as durable as anything on this earth. Quoting from bulletin 106, issued by the Iowa State College in 1908—we find "a white pine homestead site erected in 1894 was visited and found to be giving good service. It was apparently good for a number of years yet." Think of it, 13 years old—and used in a silo. In another instance we were shown a recent photo of an old English block house on San Juan Islands in Puget Sound, built in 1860, on which the red cedar shingles are apparently as good as when laid. But if you are hesitating about using wood for your home there are plenty of illustrations as to its durability right here at home. Houses built before you were born are still good. Don't be fooled about first costs—come in and see our lumber and talk it over.

**G. O. P. CONVENTION CONTESTS NUMEROUS**

WASHINGTON, May 13.—The make-up of the republican national convention, so far as the original selection of delegates can determine it, will be practically settled within a week. Including eight to be chosen Saturday at district conventions in Texas and Arizona, more than 200 delegates are to be selected in the week ending next Saturday. About 100 will then remain to be chosen, including forty-eight from Ohio and twenty-four from New Jersey.

The widely divergent claims of the Taft and Roosevelt managers make it appear that a determination of the actual control of the convention is impossible in advance of the meeting of the republican national committee June 6th. The committee will take up at that time contests involving the seats of at least 164 delegates, and it is not unlikely that more contests will be announced by the time the committee begins work.

Up to Saturday 786 of the 1074 delegates to Chicago had been chosen, according to Roosevelt estimates, while the Taft forces record twenty less. The differences arise over Maryland, where the Taft managers declare the control of sixteen delegates will not be cleared until the state convention next Tuesday, and Kansas, where the Roosevelt records show that fourteen have been chosen and the Taft records ten.

Representative McKinley, head of the Taft campaign, claimed 423 delegates for the president, and conceded 237 to Colonel Roosevelt. Senator Dixon, manager for Colonel Roosevelt, claimed 319 for Roosevelt and conceded 143 to Taft.

The Roosevelt managers contend that 114 delegates are unassigned, including 25 from New York, and that 164 are contested. Both campaign committees, in their tables, give Senator La Follette 26 delegates and Senator Cummins 10. Preparations for the two weeks' battle at Chicago over the seating of the contested delegations are being completed rapidly by the attorneys for both factions. While but few contests have been filed thus far with the national committee, the managers and their attorneys will be ready with all of the cases by May 29th, the date on which the papers must be before the committee.

The delegations instructed for Taft whose seats will be contested, according to the latest statement from Senator Dixon, are:

Alabama 20, Arkansas 8, District of Columbia 2, Florida 12, Georgia 26, Indiana 12, Kentucky 16, Louisiana 20, Michigan 6, Missouri 2, South Carolina 4, Tennessee 14, Virginia 23.

The 300 delegates to be selected this week include 26 in Texas, 26 in California, 24 in Minnesota, 14 in Washington, 22 in North Carolina, 16 in West Virginia and scattering delegations in many other states.

ATTRIBUTES DEFEAT TO ATTITUDE OF NEWSPAPERS—ADVISES SELLING OF HEARTY SUPPORT

The following letter from Senator Jonathan Bourne has been received by one of his supporters in this city during the last primary campaign:

"I wish to assure you of my deep appreciation of your kind support in the primary campaign, which has ended in the nomination of one of my opponents. As I was not in the state, and gave very little attention to the campaign, I am not personally aware of the causes contributing to my defeat. Friends inform me my defeat was due to my making no campaign, doing no newspaper advertising, having no organization and employing no workers. I am also informed that because of the silence or antagonism of most of the newspapers, the results I have accomplished for Oregon were unknown to the voters in general.

"So far as I am aware, Mr. Selling was not a party to the misrepresentation to which I have been subjected, and, therefore, I have congratulated him on his success and assured him of my hearty support.

"I have no regrets over the course I have pursued. My enthusiasm for our popular government laws and my interest in the welfare of the state of Oregon are unabated."

**THREE NIGHTS MORE OF THE CHRISTIAN REVIVAL**

The revival meetings at the Christian church yesterday were largely attended and ten took their stand for Christ and His church. Whiston's sermon on "Visions" at the morning service aroused the members to a sense of duty and loyalty. At the close of the meeting tonight eight will be baptized. At the evening service the evangelist thanked all who have helped to make the meetings a success, giving special mention to the press of Klamath Falls for courtesies extended. He said that in most cities the papers stood for the highest intellectual and moral good of the communities they served, and Klamath Falls is no exception.

These meetings will close on Wednesday night, and these last three will be the best. Each service will begin at 7:45 and close at 9. The subjects for these last meetings will be as follows:

Monday—"The Harvest."  
 Tuesday—"Open Windows," a special lecture to young Christians and converts.  
 Wednesday—"The last message on 'The Priceless Pearl'."  
 The great chorus work of last night's service will be continued each night.

GREAT PREPARATIONS BEING MADE FOR MEETING OF DEVELOPMENT LEAGUE IN KAMATH FALLS IN AUGUST

Sounding a note of determination to make the next meeting of the Central Oregon Development League in August an all-Oregon event, the supervision committee, consisting of Hon. W. Lair Thompson, G. W. Rice and Mrs. E. E. Rhinehart met last Monday evening at the residence of Mrs. E. E. Rhinehart for the appointment of a publicity committee and the discussion of various features calculated to make this event unique, instructive and interesting. The publicity committee appointed were: V. L. Snelling, F. P. Cronemiller and M. B. Rice, Mr. Snelling acting as chairman.

The following standing committee will be appointed in the very near future: Automobiles, Finance, Luncheon at Drews Dam, Banquet, Local Celebration, Music and Agricultural Display.

An effort will be made to have Louis W. Hill present a silver cup for the best agricultural display.

It has been definitely determined that the luncheon at the dam will consist of venison, mountain trout and sage chickens.

Both originality and thoroughness will mark every feature of the program, and Lakeview as a host will receive additional fame.—Lakeview Herald.

This is the procedure—Wash the hair with warm water and a pure soap—rinse thoroughly—rub the scalp with a stiff brush—apply Hirustone—rub it in well and dry the hair before combing. Please understand that Hirustone is not merely a hair wash—it is a tonic—a food.

Without its thoroughly cleansing, it also prevents bacterial action—acne, eczema and stimulates the roots of the hair—removes all dandruff—prevents its return—and preserves the natural beauty and color of the hair. Nyal's Hirustone should be on your dressing table. It sells at 50 cents and \$1.00 the bottle.
