**TALK ABOUT LUMBER LASTING--**

Why, it is about as durable as  
anything on this earth. Quoting  
from bulletin 100, issued by the  
Iowa State College in 1903—we  
find "a white pine beam made  
also erected in 1894 was visited  
and found to be giving good  
service. It was apparently good  
for a number of years yet."  
Think of it, 18 years old—and  
used in a silo. In another in-  
stance we were shown a recent  
photo of an old English block  
house on San Juan Islands in  
Puget Sound, built in 1860, on  
which the red cedar shingles are  
apparently as good as when  
laid. But if you are hesitating  
about using wood for your  
home there are plenty of illus-  
trations as to its durability  
right here at home. Houses  
built before you were born are  
still good. Don't be fooled  
about fire-escape—come in and  
see our lumber and talk it over.

**REPUBLICAN LEADER DECLARES  
THAT PRESENT HOUSE WILL  
GO DOWN IN HISTORY AS THE  
"INVESTIGATING CONGRESS"**

United Press Service  
WASHINGTON, May 14.—The  
house will go down in history as the  
"investigating Congress." Such, at  
least is the opinion of Minority Lead-  
er Mann.

"The democrats have spent \$70,-  
000 in investigations," the militant  
republican leader declared.

Today the house is in the throes of  
several investigations, with several  
more concluded and still more threat-  
ened. Never have so many house  
"probes" occurred during a single ses-  
sion in Washington.

Just now the "money trust" is be-  
ing inquired into by three house com-  
mittees, the banking and currency,  
the interstate commerce and the judi-  
ciary. The "shipping trust" is also  
being probed by the merchant marine  
committee. The "steel trust" investi-  
gation by the Stanley committee is  
practically concluded. Also the Flor-  
ida Everglades investigation has been  
finished.

Other investigations ahead are the  
"smelter trust" and "hamball trust"  
inquiries. The "woolen trust" has  
temporarily, at least, escaped threat-  
ened investigation as a result of dis-  
closures before the rules committee  
during its investigation of the textile  
workers' strike at Lawrence, Mass.

Campaign material galore is being  
ground out and polished off by the  
official congressional investigators,  
who are aided by "experts" of many  
kinds, statisticians, attorneys and  
rooms full of clerks.

**NYAL'S HIRUTONE**

This is the procedure—  
Wash the hair with warm water and a pure soap—rinse thor-

in well and dry the hair before combing.  
Please understand that Hirutone is not merely a hair wash—  
it is a tonic—a food.

While it thoroughly cleanses, it also prevents her-

hair—removes all dandruff—prevents its return—and  
preserves the natural beauty and color of the hair.  
Nyal's Hirutone should be on your dressing table.
