

## BOARD TO HAVE FIVE MEMBERS

SCHOOL DISTRICT NO. 1 WILL BE IN FIRST CLASS AND ENTITLED TO TWO ADDITIONAL DIRECTORS IN JUNE

At the regular school election for District No. 1, to be held on the Third Monday in June, there will be an increase of two new members of the board made. The board is now composed of three members, but the district has reached sufficient population to pass into the first class, which gives a board of five members.

At that time two new members are to be elected and a successor also chosen to succeed F. T. Sanderson, whose term expires. The other two members of the board are P. L. Fountain and O. A. Stearns.

## MILITIA BILL MAY YET BECOME LAW

ADJUTANT GENERAL FINNER IS BACK FROM WASHINGTON—FOUNDER IS THE ALL-ABSORBING INTEREST

PORTLAND, May 14.—Adjutant General W. E. Finner has returned from a ten-days' trip to Washington City, where he was called by the secretary of war to attend a conference of militia officers relative to the congressional bill empowering the president to employ the militia in foreign service and placing the state troops on the federal payroll. At the conference both bills were re-drawn and combined in one measure, and it is the belief in Washington that the bill will become a law prior to the adjournment of this session of congress.

"The war department is not taking a very lively interest in the Mexican situation," said General Finner. "I don't look for intervention by this country until after the presidential election, if at all."

"Washington is too much taken with politics to think seriously of an small affair as a Mexican revolution. The scrap between Colonel Roosevelt and President Taft has the center of the stage at the national capital, and there is not much prospect of its giving way to anything else for some time to come."

"However, I did find among department officials the fear that, if this country delays too long taking a hand in the Mexican embroglio, some other country, perhaps Germany, will, which, of course, would seriously embarrass the United States government and make it difficult for this country to maintain the principle of the Monroe doctrine."

"Since my last visit to Washington several months ago, Secretary of War Stimson has completely changed his attitude toward the proposition to employ the National Guard in foreign service. Secretary Stimson is now very much in favor of the bill giving the president authority to send state troops out of the country, and he will use his influence with congress to have that bill become a law."

Only three of the five members of the national militia board were present at the conference with the secretary of war. These were General Thomas J. Stewart of Pennsylvania, General C. E. Boardman of Wisconsin and General Finner.

## SCHOOL BOARD SPLIT ON SCHOOL

(Continued from Page 1)

is only a question of cost," said Mr. Breneman, "and I will try and make an estimate of what it will cost to put in this pumping station. Of course we cannot build our pump house in the street, and we will need a site for that. I expect to make a survey of the extension either this afternoon or tomorrow."

The site for the new school is very nice located, with an excellent view of both the Upper and Lower lakes, but the members of the school board state that they did not realize how far away it was, as when they made the selection they traveled in an automobile, and the distance did not seem near as far as later, when some of them walked up to make another examination. The only two objectionable features of the location seem to be the distance from any settlement and the fact that a pumping plant will be necessary to secure water. There are some who argue that \$25,000 is too much to spend on one building, as new buildings will soon be needed in Mills addition and other parts of the city, but the majority of the board are in favor of a \$25,000 building.

## Find Cure for Epilepsy After Years of Suffering

"My daughter was afflicted with epileptic fits for three years, the attacks coming every few weeks. We employed several doctors but they did her no good. About a year ago we heard of Dr. Miles' Nervine, and it certainly has proved a blessing to our little girl. She is now apparently cured and is enjoying the best of health. It is over a year since she has had a fit. We cannot speak too highly of Dr. Miles' Nervine."
