WE ARE getting ready to move to a more central location. This is our reason for sacrificing our large stock at this season of the year. We can't move our stock without incurring a heavy expense. We have therefore decided to give the public the benefit of the money it would cost us to move the goods to the new location. Everything will be sold, for cash only, positively at cost. Bring our special price list with you and compare them with the prices asked by our sales people.
