**LORELLA LOCALS**  
We write to inform our friends  
that this territory, which has long  
been known as a dry country, has re-  
cently undergone a local option elec-  
tion by the Fates, and been voted wet  
by an overwhelming majority. The  
same clouds which for years past  
have hung above our parched heads  
without a tear of sympathy, now seem  
to have received the proper counter-  
sign, and are leaking worse than  
milk strainers. It is so wet that the  
Horsefly irrigation project may have  
to resolve itself into a drainage cor-  
poration; the horses in the field re-  
fuse to "gee" and "haw" unless or-  
dered to "starboard" and "port," and  
it is even reported that our taxes have  
become dew. We predict a most suc-  
cessful season for the milk man.

Mr. John Noble of Lake county ar-  
rived here this week to remain for a  
few days.

Frank Swingle of Ashland is here  
this week attending to business in-  
terests.

Work on the county road is being  
pushed forward with all possible  
speed by Roadmaster Oscar Campbell.  
The crew at present is at work on the  
grade at the Miller ranch, two miles  
west of Lorella.

C. J. Swingle has been under the  
weather for a few days, but is re-  
covering.

The spring horse rodeo is complet-  
ed, and nearly all the horses have  
been brought in. A large number  
that wintered on the range last sea-  
son were found in excellent con-  
dition.

**KENO KEYNOTES**

The people of Keno had a box so-  
cial last Saturday evening for the  
benefit of Miss Skeel, who is now at  
Medford. She is blind, and in very  
poor health. She is well and favor-  
ably known in this locality, having  
lived here for some time. The amount  
contributed was \$42.60. All present  
enjoyed the evening.

Ira Hanson has rented his ranch to  
the Pucket boys for a period of three  
years. Mr. Hanson is moving his fam-  
ily to the Sacramento Valley, where  
he has purchased a tract of land.

John Ackley is laying track on his  
logging railroad, and will soon be  
shipping logs to his sawmill in Klamath  
Falls.

Oliver Sly is hauling poles for the  
Stakyou Electric Light and Power  
company. The poles will be shipped  
Keno to Midland and Ady by boat.

Ben Kearns and family are going  
to Portland and other points on a  
visit. The work on his electric power  
plant is still going on, and when he  
gets it completed there will be sev-  
eral pumping stations located on the  
Klamath River near Keno.

There is a fine prospect for a  
bumper crop this year.

Last Sunday J. Grows brought a  
man over the mountains to Keno. The  
man gave his name at the hotel as E.  
Evans. He brought with him a mo-  
tor cycle, nearly new. Evans claimed  
that he was expecting a check at the  
Keno postoffice, but it had not come.  
He did not have enough money to pay  
Mr. Grows, so he borrowed some mon-  
ey of H. Snowgoose to be paid the  
next day, and turned over to Mr.  
Snowgoose his motorcycle for securi-  
ty. Monday came, and no check.  
Evans went to bed in the barn in com-  
pany with a darkey. The darkey says  
that Evans got up about 10 o'clock  
and went out, and never returned.  
Next morning Evans and the motor  
were both gone, and have never been  
heard of since.

**A Clean Scalp And Healthy Hair**  
Many of your friends have found that a luxuriant growth of  
hair—soft and glossy—and a scalp free from dandruff, will result  
from the use of  
**NYAL'S HIRUTONE**  
This is the procedure—  
Wash the hair with warm water and a pure soap—rinse thor-  
oughly—rub the scalp with a stiff brush—apply Hirutone—rub it  
in well and dry the hair before combing.  
Please understand that Hirutone is not merely a hair wash—  
it is a tonic—a food.  
While it thoroughly cleanses, it also prevents bac-  
terial action—nourishes and stimulates the roots of the  
hair—removes all dandruff—prevents its return—and  
preserves the natural beauty and color of the hair.  
Nyal's Hirutone should be on your dressing table.  
It sells at 50 cents and \$1.00 the bottle.
