**What The Rambler 10,000 Mile Guarantee Means**

Have You Seen The Rambler Cross Country? \$1650

This map gives you a graphic idea of what the Rambler guarantee means to you in point of mileage.

**T**HIS guarantee is backed by every one of our Rambler dealers and branches. One of them is located nearby and is perhaps known to you.

Back of them is a factory employing eighteen hundred men, with a floor area of twenty acres and producing ninety-six per cent of the parts that go to make up this car.

This factory has produced twenty-two thousand Rambler motor cars and the average cost for repair parts on each one of these cars last year was only twelve dollars and ninety cents.

Some of these cars have been in use eleven years. One-half of them have been in use five years or more. These are the facts which warrant our confidence in the Rambler to the extent of giving the signed guarantee for ten thousand miles.

The Cross Country sales to date are three times those of last year.

See the car and you will learn the first reason—its appearance.

Ride in the car and you will know the second reason—its comfort.

Ask your banker about the stability of this company—his answer is the third reason.

This ten thousand mile guarantee is the fourth reason. Appearance, comfort, stability and the 10,000 mile guarantee.

Are not these reasons enough?

Write your name and address on the coupon below and forward it to us immediately that we may send you full information.
