"I have been somewhat constipated, but
Diana Regulets gave just the results
desired. They act mildly and regulate
the bowels perfectly."—George H.
Krause, 304 Walnut av., Altoona, Pa.

Guard Your Children Against Bowel Trouble

Many children at an early age
become constipated, and frequently
serious consequences result. Not
being able to realize his own con-
dition, a child's bowels should be
constantly watched, and a gentle
laxative given when necessary.
Dr. Miles' Laxative Tablets are
especially well adapted to women
and children. The Sisters of
Christian Charity, 531 Charles St.,
Lancaster, Pa., who attend many
cases of sickness say of them:

"Some time ago we began using Dr.
Miles' Laxative Tablets and find that
we like them very much. Their action
is excellent and we are grateful for
having been made acquainted with
them. We have had good results in
every case and the Sisters are very
much pleased."

The form and flavor of any medi-
cine is very important, no matter
who is to take it. The taste and
appearance are especially important
when children are concerned. All
parents know how hard it is to give
the average child "medicine," even
though the taste is partially dis-
guised. In using Dr. Miles' Lax-
ative Tablets, however, this diffi-
culty is overcome. The shape of
the tablets, their appearance and
candy-like taste at once appeal to
any child, with the result that they
are taken without objection.

The rich chocolate flavor and
absence of other taste, make Dr.
Miles' Laxative Tablets the ideal
remedy for children.

If the first box fails to benefit,
the price is returned. Ask your
druggist. A box of 25 doses costs
only 25 cents. Never sold in bulk.

TESTED MATERIAL FOR HOME BUILDING

appeals to the conservative man
because it offers a tangible basis
upon which to reckon. Take
lumber, for instance, and you
can see evidence on all sides
where houses that were built of
wood have outlasted a genera-
tion, and are today (if they
have been given proper care)
as good as new. Wood has
stood the test, and he utilized
today as economically as any
other material, considered from
all points—appearance, dura-
bility and healthfulness. In its
use you have precedence to go
by. What others have done
with it you can do, and the lum-
ber we handle these days is the
product of the best "quality"
mills in the United States. It's
a pleasure to show it as well as
to talk its various uses, and we
are at your service from 7 to 6
