### BRYAN DIFFERS WITH ROOSEVELT

PEERLESS LEADER DEFINES PO-SITION OF TWO

Own-On Six of Which They Differ in the Southern states. and on Six They Are Now in Substantial Agreement

(By William Jennings Bryan) (Copyright, 1912, by the Newspaper Enterprise Association)

Complying with your request, I be to say that I was first inclined to be told in this connection. The cities her to say that the wording of have been filling up and the farms your question so as to permit me to have been deserted. The cost of livshow the difference between Mr. has been and many thinking men Zoonevelt and the democratic party. together with the points of agreement why it has risen. When the boll PRELIMINARY STEPS TOWARD tetween him and our party, but as weevil came to the South something we shall not know until the platform had to be done. Many Southern farmlanguage our party will use in definrather than to attempt to speak for the party, I shall content myself gave the department of agriculture Association for Klamath county was with setting forth Mr. Roosevelt's money with which to fight the pests, completed at a meeting held at 4 own on the same; six upon which we differ and alk upon which we are now in substantial agreement.

Where We Disagree

First.-He believes in a third presidential term, and he has not yet announced any limitation to the number of terms a president should be permitted to enjoy. I am not only opposed to a third term, but I favor an amendment to the constitution limiting the president to a single
