YOU, MR. BUYER

—Would you buy a 640 acre ranch with 320 inches of free water at thirty one dollars and twenty five cents per acre, a small cash payment and balance on very long time at 6 per cent.

—This place is only one half mile from side track on the Southern Pacific. Three miles from store, school and depot. A saw mill on the place takes everything raised. Five acres of bearing apples and small fruit. Two hundred acres of timothy and clover meadow. New eight room house, new bunk house and root cellar.

—This is one of the grandest places in this neck of the woods and is for sale for the reason that the owner is getting along in years and having made a fortune on this very ranch, wishes to retire. As he has a comfortable bank balance he is not particular about a large cash payment.

—Come in and see me about this place—

A Clean Scalp And Healthy Hair

Many of your friends have found that a luxuriant growth of hair—soft and glossy—and a scalp free from dandruff, will result from the use of

NYAL'S HIRUTONE

This is the procedure—Wash the hair with warm water and a pure soap—rinse thoroughly—rub the scalp with a stiff brush—apply Hirutone—rub it in well and dry the hair before combing. Please understand that Hirutone is not merely a hair wash—it is a tonic—a food.

While it thoroughly cleanses, it also prevents bacterial action—nourishes and stimulates the roots of the hair—removes all dandruff, prevents its return—and preserves the natural beauty and color of the hair. Nyal's Hirutone should be on your dressing table. It sells at 50 cents and \$1.00 the bottle.
