

UNCLE SAM WILL SELL MACHINERY FROM CANAL

**BARGAIN SALE WILL BE HELD
TO GET RID OF SOME OF THE
TOOLS USED IN CONSTRUCTION
OF PANAMA CANAL**

United Press Service
WASHINGTON, D. C., July 20.—
The biggest bargain sale of machinery
in history is promised upon the com-
pletion of the Panama canal. To dis-
pose of machinery costing more than
\$15,000,000 is the problem confronting
government authorities when the
canal is opened.

Although understood in a general
way, Colonel Goethals, superintendent
of the canal work, reports actual
figures of machinery bought since the
United States began digging the "big
ditch." Here are a few of the principal
items:

Steam shovels, 102; cars, 4,181;
locomotives, 189; rock drills, 735;
cranes, 79; dredges, 14; barges, 44.
Many of the locomotives and cars
will be useful in operating the canal
and the Panama railroad, but most of
the dredges, steam shovels and moun-
tains of other steel implements will
be put on the block for sale.

Secretary of the Interior Fisher has
suggested the plan of transferring
much of the discarded machinery to
Alaska for use in constructing a gov-
ernment railroad to the interior of
that territory. If congress does not
authorize the federal railway in
Alaska, however, most of the Panama
machinery will be sold at the best
price it will bring.

Colonel Goethals emphatically de-
clares, however, that the French plan
of leaving discarded machinery to rot
and rust will not be adopted by this
country. Uncle Sam is too thrifty.
Old, corroded, discarded machinery
once used by the French in their at-
tempt to dig a canal were monuments
of their failure, hindering the canal route
until the Americans too charge.
Some of the old French material was
used, but most of it was dumped into
the jungle, far away from the exca-
vations.

Commodore Nozler was down from
Shippington today. He reports that
the potato crop in Buena Vista, this
year is the best in the history of the
county.

CIRCUIT COURT WILL ON NEXT MONDAY

**FIRST CASE WILL PROBABLY BE
THE TRIAL OF GEO. McLANE,
WHO WAS INDICTED CHARGED
WITH HORSE STEALING**

According to present calculations
the first case to be placed on trial
when the circuit court convenes on
Monday will be that in which George
McLane is under indictment on a
charge of horse stealing. The petit
jury members have been ordered to
be in attendance.

The horse alleged to have been
stolen by McLane was the property
of H. E. Winnard of Langell Valley.

The grand jury will reconvene on
August 4th. Whether they have re-
ported fully on all their findings as a
result of their last session is not
definitely known.

Judge H. L. Benson is expected
home tomorrow evening.

BRAVE WOMAN CATCHES LEGAL NUMBER OF FISH

**WIFE OF SAN FRANCISCO DEN-
TIST IS FIRST WOMAN TO VEN-
TURE TO EDGE OF CRATER
LAKE THIS YEAR**

The distinction of being the first
woman to fish in Crater Lake this
season goes to Mrs. L. Poole, wife of a
prominent San Francisco dentist. She
succeeded with little difficulty in
catching the legal limit, five large
mountain trout.

While a number of women have
made the trip over the snow from
Arant's camp to the rim of the lake,
Mrs. Poole was the first to venture
over the dangerous trail to the water
level. The trail at the time was cov-
ered with snow, in some places at
least ten feet deep. This made walk-
ing very dangerous, and few men,
even, have been daring enough to at-
tempt to negotiate it.

The hotel company has made ample
provision this year for guests to go
out on the lake. Six new row boats
and two launches have been put in
service.

B. R. Young of Shippington, who
has been sick with the measles, is re-
ported as well on the road to re-
covery.

Social Events of the Week

SOCIAL FUNCTIONS NOT NUMEROUS, PROBABLY ON ACCOUNT
OF THE WEATHER, AND THE ABSENCE OF MANY ON
THEIR VACATIONS—EVENTS OF THE WEEK

July, so called by the great Julius
Caesar himself—named for him as
his birth month. Perhaps—who
knows, being born under the burning
rays of a southern sun, he may have
inherited some of the sun-powers of
might and force that made him so
superlative among the sons of men.
Julius Caesar is but a name for great-
ness—July is our most impassioned
month. The ruby, with its deep, glow-
ing fire, is a fitting emblem of this
twelfth of our solar year; and over
these thirty-one days, it sheds its
warm red light, as the gem royal of
birth stones. The water lily, too, ded-
icates its beauty and fragrance to this
majestic month, with its ivory petals
and golden heart, it rides the water
surface among its deep green leaves
and offers to each lapping wave the
kiss of the summer.

Our social happenings have but
partly filled the week. Mrs. I. J.
Knapp, on West Main street, was hos-
tess on Tuesday, both afternoon and
evening. The afternoon party was
the entertainment of the Jul-n-yul
Club and a few invited guests. Bridge
was the diversion of the hour, and a
prize of two beautiful point lace dol-
lies was won by Mrs. Will Baldwin.
Refreshments were served to the fol-
lowing guests: Mesdames Geo. Bal-
win, Will Baldwin, W. I. Clark, C. H.
Daggett, O. H. Harshberger, Thos.
Hampton, J. T. Henley, A. D. Miller,
Fred Melhase, G. R. Manning, C. O.
Morgan, Stuart and Frank Ward.

In the evening Mrs. Knapp invited
her guests for a game of "500." Punch
was served throughout the evening,
and at its close refreshments were
partaken of. Mrs. Fred Melhase and
Mr. Don Zumwalt held the highest
scores and captured the prizes. Those
present were: Miss Maud Baldwin,
Mr. and Mrs. K. G. Cummings, Mr.
and Mrs. W. I. Clark, Mr. and Mrs.
Fred Goeller, Mr. and Mrs. Thos.
Hampton, Mr. and Mrs. Chas. Mel-
drum, Mr. and Mrs. Fred Melhase
and Mr. and Mrs. D. J. Zumwalt.

Wednesday afternoon Mrs. Thos.
Connor entertained the Leisure Hour
Club at her home on Sixth and Grant
streets. "500" was played and re-
freshments were served to the fol-
lowing guests: Mesdames Fred Melhase,
Fred Schallcock, Claud Daggett, Bert
Withrow, Thos. Hampton, W. H.
Newham, R. E. Smith, Chas. Martin,
O. W. Robertson, N. Rounseville,
Chas. Meldrum and J. F. McGuire.

On Thursday afternoon Mrs. Fred
H. Mills opened her attractive new
home for a party of guests, which
included the following ladies: Mrs. E.
Reames, Mrs. Frank Jennings, Mrs.
Helen Marks, Mrs. R. C. Spink, Mrs.
W. O. Smith, Mrs. W. S. Fish, Mrs.
Wm. Hopkins, Mrs. R. M. Richard-
son, Mrs. W. H. Mason, Mrs. Frank
Ward, Mrs. D. J. Zumwalt, Mrs. O. H.
Harshberger, Mrs. W. W. Cross, Mrs.
Silas Obenchain, Mrs. Carpenter, Mrs.
A. D. Miller, Mrs. C. F. Stone, Mrs. E.
B. Henry, Mrs. Chas. Martin, Mrs. O.
E. Willey and Miss Lee. Mrs. Frank
Jennings, Mrs. Helen Marks and Mrs.
Hopkins were the guests of honor.
The home was tastefully decorated

with many flowers and the six tables
arranged for the game of whist. Mrs.
Hopkins and Mrs. Harshberger made
the highest score and won first and
second prize respectively. Punch,
ice cream and cake closed a delight-
ful afternoon's entertainment.

On Thursday evening Miss Maud
Baldwin entertained three tables at
bridge. Mrs. Don Zumwalt won the
prize, which was a beautiful photo-
graph of a local view, taken by the
hostess, who excels in photography.
Ice cream and cake were partaken of
at the close of the evening by Mrs.
Will Baldwin, Mrs. Zim Baldwin, Mrs.
Frank Jennings, Mrs. Helen Marks,
Mrs. Chas. Meldrum, Mrs. E. R.
Reames, Mrs. R. M. Richardson, Mrs.
W. O. Smith and Mrs. D. J. Zumwalt.

The Missionary Society of the Pres-
byterian church met at the home of
Mrs. A. M. Worden on Friday after-
noon at 2 o'clock. A large number
of those interested in the work were
present and they held an earnest dis-
cussion of the Alaskan mission field.
The meeting adjourned at a late hour
after refreshments.

Mrs. Don J. Zumwalt entertains the
Bridge Club this afternoon, which will
include players for three tables. A
prize will be given to the holder of
the highest score and refreshments
served to the following: Mesdames
W. O. Smith, E. R. Reames, Frank
Jennings, Helen Marks, E. J. Murray,
C. F. Stone, Geo. Noland, W. S. Fish,
Wm. Hopkins, I. J. Knapp, C. H. Un-
derwood and Miss Baldwin.

Mrs. Silas Obenchain, who has been
visiting relatives and friends in San
Francisco for the past six weeks, has
returned home, bringing with her her
sister, Mrs. E. Carpenter, and her
nephew. Mrs. Carpenter will remain
to a visit in the city, but the boy will
go to the "Rim Rock" ranch for his
summer vacation.

A boy was born last Saturday af-
ternoon to Dr. and Mrs. Geo. Merry-
man, in their cottage home on Pine
street. A babe in the house, accord-
ing to the poet, is to pleasure as a
well-spring, but an only a babe, and
a son and heir at that, gives cause
for oceans of pride and joy.

Miss Susie Homes of Ashland, Ore-
gon, has come to Klamath to pay a
visit at the home of Mr. and Mrs.
Jack Kimball on Conger avenue. She
will remain several weeks.

Mr. and Mrs. Carey Ramsby have
returned home from an extended visit
to Pendleton, Eugene and Portland.
At the last city they enjoyed the
days that were given to the Elks'
demonstration, with the magnificent
parades and illuminations.

Mrs. Clarence Underwood expects
to leave for Spring Creek in a few
days, where she will join the camp-
ing party of Dr. and Mrs. Hamilton.
Mrs. J. Smith Mounce and daugh-
ter, Mildred, of Lewiston, Idaho, are
visiting with Mrs. E. M. Flinn.

Mrs. J. Smith Mounce and daugh-
ter, Miss Mildred Mounce, of Lew-
iston, Idaho, arrived in the city this
morning to visit Rev. and Mrs. E. M.
Flinn. Mrs. Mounce is Mrs. Flinn's
mother.

ANNOUNCEMENT

Owing to the scarcity and high
price of livestock, and to the fact that
we have to purchase and feed stock as
much as three months in advance to
be sure of a supply, and to the further
fact that we have to pay spot cash at
the time of purchase for all stock, we
find it absolutely necessary to sell
meats for cash only on and after
August 1, 1913.

Hoping our many patrons will ap-
preciate our position in this matter,
and thanking you for past patronage,
hoping for a continuation of the same
under the new order of business, we
remain, yours,
