

## SOLARIUM JAMES MAKES ADDRESS

FORCE, MAN WITH VISAGE LIKE SUN PARLOR, TAKES FLOOR AT COUNCIL MEETING TO TALK OF PAVEMENT PATCHES NEEDED

Herman Force, whose visage is frequently compared to a solarium, was a speaker at last night's meeting of the city fathers. Mr. Force is engaged in paving for a living, being a representative of the Strange-Maguire company, which has the contracts for much of the local paving. In fact, it might be said, with considerable show of truth, that the company has done the great majority of the street paving done in Klamath Falls within the past two years.

The purpose of Mr. Force's address to the council last night was to get its consent to do certain patches of paving at the expense of the owners of abutting property.

"It's a good idea to get the consent of the council," was the approval expressed by City Attorney Thomas Drake, with a twinkle in his eye. "I don't think they would head off good work, but you'd better get their consent."

In each case the council was willing to let the property owners pay for the work, save for one spot near the White Pelican garage. It might have been willing, even in this case, to let the property owner pay for the work, but the fact was related by Mr. Force that he was unable to locate the owner of the property, whom he believed to be a man named Weil, in the Monardock building, San Francisco. The council decided to have the city pay for this patch. Councilman Doty suggesting that the municipality might defray the bill and take its chances on collecting from the owner.

"He never got permission to open the pavement. We might arrest him," suggested Councilman R. A. Alford. While Mr. Alford's suggestion was a drastic one, apparently offered in good faith, it caused a laugh among the listeners.

The patch will require 6 2-3 square yards of paving, at \$2.20 per square yard. Mr. Force explaining that the concern of which he is the local representative was doing the patchwork on the regular yardage basis for contracts. The patch the city will pay for is to set the taxpayers back in coin of the realm, \$14.67.

Late this week City Engineer Don J. Zumwalt will depart on a two weeks' vacation. He notified the city council last night of his desires in this direction, and none of the city dads showed any inclination to deny him the wanted rest.

## ZUMWALT DRAWS DRAWING STUNT

CITY ENGINEER'S PROWESS AS DRAFTSMAN WILL BE UTILIZED BY CITY COUNCIL, WISHING A STREET PAVING RESOLUTION

City Engineer Don J. Zumwalt is a draftsman, which fact is often recognized by the city council when it draws on him for assistance. An instance of the fact that he is a known draftsman was shown by the council last night, when it ordered him to draw up a resolution.

This resolution will be for the purpose of establishing the manner of imposing charges against property which abuts on Tenth street where said street to be macadamized with a thirty-foot center. It was determined by the council to charge for the work by frontage of the abutting property, corner lots to pay five-property, corner lots to pay five-of the cost.

## OLD INDIAN WAR CHIEFS WILL BE SEEN HERE

When on August 15th you make your way to the show grounds where the world famous Kit Carson Buffalo Ranch Wild West is to exhibit, be sure the first point of interest you make for is the Indian Village. There you will see Indian chiefs and warriors of three distinct tribes: Sioux, Comanche and Cheyenne braves, with their squaws and papooses, clad in their gaudy, many colored blankets and feathers, living in their historic tepees, beading their moccasins and chanting the songs of the unforgettably warpath. It is a rare sight indeed to see them just as they exist when on the government reservation, for before many years the Indians of today will be but a memory. They are fast disappearing, and many of us who are living today will almost see the last of their kind. Among the Indians carried by Kit Carson's Buffalo Wild West shows are many noted historical characters, the foremost being Chief Clear. To hear this old chief, with the aid of an interpreter, chronicle some of the feats of his youth, of the battles with the blue-coats, the long trail and the trips to the hunting grounds, is indeed interesting, and any patron of this exhibition is at liberty to view the Indian from every angle and several interpreters are constantly at hand to assist the public in conversations with the redman.

## LORELLA LOCALS

Mr. and Mrs. Ted White have arrived for a visit with Mrs. White's parents, Mr. and Mrs. A. B. Brown.

A real estate deal which has been pending for some time between Messrs. Jacobs and Gunn and Keller Brothers of Portland for the Jacobs and Gunn ranch on Lost River is now completed, the Keller Brothers taking over the ranch for a consideration of \$45 per acre. The people of this community will deeply regret the departure of Mr. Gunn and family, who have taken an active part in its affairs during their five years of residence here.

A large forest fire has been burning for several days on the western slope of Bryant mountain. It is believed to have been started by lightning. Fire Warden Grohs, who went with a party of men, is busy checking its spread, reports that it is now under control. About 640 acres have been destroyed.

Miss Wade Drew has returned to her home near Olney after a week's visit with her sister, Mrs. Walter Campbell.

## Every Child Should Be Given This Tonic

When children have no appetite, when they are continually peevish and irritable; when they are restless in their sleep, it is almost a certain indication that their digestive organs are troubled with worms or other parasites. This is a very common ailment and easily remedied. Physicians will tell you that nearly every child is so troubled at some time, and, in fact, many adults suffer in the same way. Among adults this trouble is invariably referred to as indigestion, when in reality it is due to a small parasite which infests the intestinal tract.

For children, Jayne's Tonic Vermifuge is unsurpassed, as it is not only destructive to these parasites, but completely removes the nests in which their young are deposited. Seldom does it purge, and the improvement in the health of the child will be the first and best indication of the beneficial results of the medicine. Not only will the Vermifuge destroy all the parasites, but its wonderful tonic effects will restore the digestion which has been impaired.

For children, the addition of a little sugar will make it so palatable that they will take it readily. Millions of parents have found it for more than eighty years. Sold by druggists everywhere. Dr. D. Jayne & Son, Philadelphia, Pa.
