KLAMATH FALLS - OREGON
THURSDAY, AUG. 22, 1912

SMALL BOAT ON LONG TRIP

BRITISH CAPTAIN, ON A WAGEN,
STARTS ON A LONG VOYAGE
AROUND THE WORLD IN A 25-
FOOT YAWL

SAN FRANCISCO, Aug. 22.—A
trans-Pacific voyage on a 25-foot
yawl is now being undertaken by
three men, as the first leg of a cruise
around the world, according to the
officers of the liner Chiyu Maru,
which has just arrived from the
Orient. The Sea Queen, Captain Henry
Voss, first mate and cabin boy, F. F.
Stone, second mate and cook, S. F.
Vincent, left Yokohama thirty days
ago, and was sighted by the Chiyu
Maru several hundred miles out.

As the boat's cargo capacity is but
approximately half a ton, food in
compressed form is carried, and most
of the hold taken up with alcohol for
fuel for a condenser.

Captain Voss is a British subject,
and spent much of his boyhood hand-
ling small boats in British Columbian
waters. Since reaching the age of
30 years he has commanded several
sailing vessels and visited ports in
all parts of the world. Voss is said
to have laid a large wager on the
cruise with British army and naval
officers in the Far East.

HUBBY WOULD HAVE HER FLIRT

DIVORCE IS GIVEN TO WOMAN
WHOSE HUSBAND DIDN'T CARE
WHAT SHE DID AS LONG AS HE
DIDN'T KNOW ABOUT IT

OREGON CITY, Aug. 22.—Alleg-
ing her husband, Fred Jaehn, has
been cruel to her, telling her she was
"a fool for not going out to have a
good time," and that he "did not
care with whom she went, just so he
did not know about it," Mrs. Agnes
Jaehn has filed a suit for divorce.

They were married in Portland July
25, 1906. In March, 1911, Mrs. Jaehn
says, her husband slapped her in the
presence of several friends. She asks
for the custody of their child and for
\$15 a month alimony.

OREGON BULL MOOSERS PLAN A
STRENUOUS TIME FOR THE
COLONEL WHEN HE COMES
HERE TO CAMPAIGN

PORTLAND, Aug. 11.—Colonel
Roosevelt will be given the most
strenuous thirteen hours of his trans-
continental swing around the circle
while he is in Oregon September 11.
If the local committee of twenty-five
has its way, Roosevelt will have to
stand for a side trip to Salem for a
speech and reception, an automobile
spin from Portland to Vancouver for
another speech at the Clarke county
fair, for luncheon and a hand-shaking
party, also for a public parade and
demonstration through the streets of
Portland, all of which are to be fol-
lowed by his chief speech in Oregon
at the armory at 4:30 p. m. This
will fill his time up to 8 o'clock at
night, when he will hustle for Idaho.

SCIENTIST TO SEE LAVA BEDS

PHILIP W. TOMPKINS OF SAN
FRANCISCO WILL CONDUCT
EXHAUSTIVE INVESTIGATIONS
OF THE REGION

Phillip W. Tompkins, an eminent
scientist of San Francisco, left yester-
day for the lava beds, where he
will make an exhaustive investiga-
tion of natural phenomena.

Mr. Tompkins spent several days in
this city and vicinity, although his
purpose in coming north was to go to
the famous lava beds, which have at-
tracted the attention of students for
years.

Agent S. J. Bailey of the Southern
Pacific, and his family, have gone to
Myrtle Creek, Oreg., for a vacation
trip. They will return to this city
about September 1st.

United Press Service
WILKESBARRE, Pa., Aug. 22.—

ready to answer any statement Sen-
ator Penrose makes. If necessary, it
is believed the Colonel will be will-
ing to appear before the senate com-
mittee.

The Colonel attended the twenty-
fifth anniversary of Rev. J. J. Cur-
ran's ordination. He will discuss the
moral issues of the campaign this af-
ternoon.

Mrs. Josie Sharpe, sister of the late

CENSUS SHOWS 150 AT LAKE OF WOODS

A census taken last week of the
camps in the Lake of the Woods re-
gion by C. M. Ramsby, game warden,
showed 150 campers.

E. B. Ramsby, the well known
drayman, returned to the city last
night with this information. He
stated, however, that a number of
people had left the favorite camping
ground during the last few days, and
that when he left, Tuesday, there
were but about 75 people remaining.

On Sunday a party from the Rams-
by camp succeeded in climbing to the
top of Mount Pitt in three hours and
twenty minutes. The party consisted

of Mr. and Mrs. C. M. Ramsby, R. C.
Dalton, Bob Dalton and Henry An-
derson.

"Huckleberries are pretty scarce
right now," said Mr. Ramsby. "There
are plenty of green ones, but not
many ripe berries are to be found.
While we were out there was but one
deer shot in our vicinity. Bob Casey
brought one into camp the other
day."

In the Ramsby party were Mr. and
Mrs. E. B. Ramsby, Mrs. C. M. Rams-
by and two children, Miss Dorothy
Martin and Miss Viva Martin. Miss
Donart and Miss Rambo returned to
the city with the Ramsbys.

PISCATORS MAY TRY LINK RIVER

BEGINNING SEPTEMBER 1—THE
CLOSE SEASON THERE IS OPEN
IN LAKES OWING TO LEGISLA-
TURE MAKING MISTAKE

One week from next Sunday the
open season for trout fishing in Link
River will begin, and the banks of
that historic stream will probably be
lined with disciples of Isaac Walton.
The open season on Link River is a
good deal of a cinch for the nimrod,
and was made such by what was
meant to be an effort to make the
cinch considerably less.

The way it happened was that the
legislature, in endeavoring to make
the closed season on Link River long-
er than it would be under the gen-
eral law, inadvertently removed the
river from the operation of the gen-
eral law, which bars the angling in
November, December, January, Febru-
ary and March in waters generally.

As fish in Link River are not par-
ticularly good in the summer months
of June, July and August, friends of
the fishing interests thought that
those months might as well be added
to the close season, so a special law
was prepared which barred trout
fishing in Link River in the months
named. But no other months were
named in the special legislation,
which removed Link River from the
care of the general law, thus short-
ening the close season there from
five months to three, and making the
close season during what is the open
season in the Upper and Lower Klamath
Lakes.

As it now stands, no nimrod may
ply his pole and line in the upper and
Lower Lakes in November, Decem-
ber, January, February and March,
although he can fish to the legal
limit in Link River at that time. And
while, during all other months of the
year he may fish in the lakes, he may
not fish in Link River during the
three summer months.

So he who wishes to fish in Klamath
Falls and vicinity may seek placid
consolation at all months of the
year, provided he knows which place
to pick out for it.

It may be that at the coming ses-
sion of the state legislature an effort
will be made to amend the special
Link River law, so that the five
months of the regular close season
in waters generally will apply to Link
River.

The freak law applying to Link
River only is section 2327 of Lord's
Oregon code.

REDMOND MAYOR QUITS HIS JOB

THREAT OF GOVERNOR WEST TO
DECLARE TOWN UNDER MAR-
TIAL LAW HAS EFFECT DISMIS-
SED BY CRUADERS

SALEM, Aug. 22.—Governor West
has been informed that his law-en-
forcement crusade had succeeded
when he brought about the resig-
nation of H. J. Jones as mayor of Red-
mond and City Marshal McClay, a
telegram to that effect having been
received from the city council.

This will make it unnecessary for
him to call out the troops and pro-
ceed to the scene to compel the city
council to give the people of Red-
mond a clean lot of city officials. The
council has advised the governor that
it had the mayor's resignation, but
suggested a further investigation of
conditions, maintaining that the gov-
ernor was ignorant as to them. The
governor wired back that nothing but
the resignation of the mayor and city
marshal would satisfy him, and
threatened to take steps to bring it
about, unless they were forthcoming
and his threat had the desired effect.

MORE AUTOS NOW THAN LAST YEAR

THE 1912 REGISTRATION WILL
REACH 10,000, AGAINST 6,300
LAST YEAR—MANY CHAU-
FEURS REGISTERED

SALEM, Aug. 22.—Nearly 4,000
more automobiles are registered in
Oregon this year than in 1911. The
1912 registration will reach 10,220,
and last year it was 6,300. There are
1,650 chauffeurs registered this year
as against 1,500 last year.

Secretary of State Ben Olcott today
gave the order for the new automob-
ile tags for 1912. The tags will be
of aluminum with black letters. The
aluminum will be strengthened with a
wire band. The tags have been sub-
mitted to many automobilists in the
state, who say they are the nicest
ones the state has yet selected. The
chauffeur's badge next year will be
in the form of a shield.

A Clean Scalp And Healthy Hair

Many of your friends have found that a luxuriant growth of
hair—soft and glossy—and a scalp free from dandruff, will result
from the use of

NYAL'S HIRUTONE

This is the procedure—
Wash the hair with warm water and a pure soap—rinse thor-
oughly—rub the scalp with a stiff brush—apply Hirutone—rub it
in well and dry the hair before combing.
Please understand that Hirutone is not merely a hair wash—
it is a tonic—a food.

While it thoroughly cleanses, it also prevents bac-
terial action—nourishes and stimulates the roots of the
hair—removes all dandruff—prevents its return—and
preserves the natural beauty and color of the hair.
Nyal's Hirutone should be on your dressing table.
It sells at 50 cents and \$1.00 the bottle.
