VAUDEVILLE IS TO BE FEATURE

SINGING AND SPEAKING NOVELTY ACT ADDED TO PROGRAM AT SPARKS THEATRE TOMORROW FOR ONLY ONE NIGHT

To give patrons of the Sparks moving picture theater a treat, the management announces that tomorrow night there will be added to the regular program of reels a vaudeville feature, which is heralded as a sure cure for the blues.

This will be White and Brown in a singing and talking novelty act, "A Lesson in Flirting." This is an act from the Sullivan and Consolidated circuit, which is one of the leading chains of vaudeville service in the country, and the act has attracted favorable comment in the large cities of the circuit. White and Brown have been engaged for one night only and the price of admission for the special performance has been fixed at 15 cents.

SPECIAL DANCES COME NEXT WEEK

PAVILION WILL HAVE "HARD TIMES" VISITORS WEDNESDAY NIGHT AND A BAL MASQUE ON SATURDAY NIGHT

Manager George M. Klein of the Pavilion has arranged for a couple of special dances next week. They will be given on the regular gala nights at the Pavilion. The first, to be given Wednesday night, will be a "hard times" dance, at which the entrants will be costumed in old clothes, as though business conditions were generally full of strenuousity.

On Saturday night the affair will be a bal masque, and as Saturday night dances are especially popular, this affair is expected to draw a large crowd.

With "hard times" dances, costumes and other specialties.

The stock of the W. W. Muller Music company, bankrupt, will be sold at public auction tomorrow afternoon at 2 o'clock.

KIRSCHNER SEES WONDERS OF LAKE

PIONEER RESIDENT OF KLAMATH COUNTRY MAKES HIS FIRST TRIP TO THE CRATER NATIONAL PARK

Although he has resided in this county for twenty-six years, and has been sheriff here, A. Kirschner saw Crater Lake yesterday morning for the first time.

With E. M. Chilcote, C. K. Wilson, Miss Laura A. Bice and Miss Ethel Hawhurst, Mr. Kirschner left this city Wednesday. The party stopped over night at Fort Klamath, and left there yesterday morning for the National Park. They arrived there about 9 o'clock, and spent the time until about 3 o'clock in the afternoon viewing the wonders of the park under the guidance of Superintendent Arant.

The trustee in bankruptcy will sell at public auction the stock of the W. W. Muller Music company tomorrow afternoon, at 2 o'clock.

SCOTT WILL HOLD DOWN JOB AWHILE

Acting at the request of Judge Bean and Judge Wolverton of the United States district court, and with the full approval of the department of Justice, Leslie M. Scott has accepted temporary appointment as United States marshal for Oregon until a successor is named by President Taft.

In accepting Mr. Scott says: "Only two considerations influence me in again assuming the duties of the marshal's office. One is that the appointment is absolutely out of politics, being a judicial act of the court. The other is that the appointment is in itself an approval of the conduct of the office during my administration, and under the circumstances I feel that I should accept to aid in straightening out the tangle into which the office has been plunged by politics."

"The present situation is the result purely of political interference with the office for the last three years, and demonstrates the advisability of taking such positions entirely from politics. The marshal is the executive officer of the court, and should be appointed and controlled by the court.

"My appointment is not political, and I consider that it takes the office out of politics temporarily, as I am a temporary court officer, owing my tenure to a judicial act of the court. As soon as the office is plunged into politics again, and that may be within a day or two, I count myself out."

The court order naming Scott was signed by two judges. The bond for the position is \$50,000. As soon as he is sworn in he will re-appoint his deputies, who will receive new commissions. While legally they cannot receive pay as the situation now stands, for their services from August 10th, at which time Mr. Scott's resignation was accepted, until they are re-commissioned, Mr. Scott already has taken up with the department of Justice the matter of special action by the department to pay them.

WHY THE RAILROADS ARE SO VERY HARD UP

The following is an interesting extract from an article in the September American Magazine:

"The railroad companies complain that they are hard up. They are; they are awfully hard up. Perhaps they were never so hard up before in their lives. Not because earnings have decreased; earnings have increased. Not because dividends have diminished; dividends have been trebled. Not because the margin of credit has been exhausted; the margin of credit has been multiplied fourfold. The railroads are hard up because they have got to double their facilities."

"When the railroads of the United States broke down in 1907, Jim Hill said they ought to spend \$700,000,000 a year for ten years to put themselves in shape. Seven billions in all. Since then some equally distinguished authority has raised it to eighty billions."

"Why? Their business has been increasing nobly. Their gross earnings have risen from \$8,000 per mile to \$11,500 per mile. By larger cars, longer trains, heavier loading, and stancher track, they made their old outfit serve. But it came to a point where it did not seem to the railroad men that they could stretch that string any longer. Nothing to do but double track, double terminals, double everything. But doubling facilities does not automatically and instantly double the earnings. That is why the railroads are so hard up."

A Clean Scalp And Healthy Hair

Many of your friends have found that a luxuriant growth of hair—soft and glossy—and a scalp free from dandruff, will result from the use of

NYAL'S MIRACLES

This is the procedure—Wash the hair with warm water and a pure soap—rinse thoroughly—rub the scalp with a stiff brush—apply Miraculous—rub it in well and dry the hair before combing.
Please understand that Miraculous is not merely a hair wash—it is a tonic—a food.

While it thoroughly cleanses, it also prevents bacterial action—nourishes and stimulates the roots of the hair—removes all dandruff—prevents its return—and preserves the natural beauty and color of the hair.
Nyal's Miraculous should be on your dressing table. It sells at 50 cents and 75 cents the bottle.
