HUNTERS WILL BE OUT IN MORNING

With the opening of the duck season tomorrow, there has been a rush for licenses at the office of County Clerk De Lap today.

With the opening of the doors for business there were a number of applicants ready and Deputy County Clerk Chastain was kept busy filling out blanks all during the day.

A notable feature of the applications received today was the youth of the applicants. One boy gave his age as 14 years, and there were several who stated they were but 13 years old.

Several days ago a license was issued to a youth but 9 years of age. The Upper Lake will be the favorite hunting resort this season. Reports from there indicate that the sport will be good this year. Ducks are plentiful and general conditions favor the hunters.

There are numerous resorts near the hunting places for sportsmen. A plentiful supply of provisions has been laid in by all of the different places, but, because of the great crowd, it is the wise man who takes along his own blankets.

TWO BEARS ARE CHASED UP TREE

AUTOMOBILE PARTY EN ROUTE HOME FROM CRATER LAKE HAVE AN AMUSING EXPERIENCE WITH BEAR

Otto Winter and Lloyd Muilt have a notion that they are the champion Crater Lake tourists, says the Ashland Record. They made the 225 Saturday and Sunday in record time, and only used up 10 1/2 gallons of gasoline doing it.

As an evidence that they were going some they cite the fact that about half a mile this side of the park line they treed two black bears which were trotting down the road. The bears were half-grown cubs, and evidently never smelled gasoline before. They made a hike down the road after one look at the auto, but soon concluded that it was going too fast for their chubby legs, and each one selected a pine tree and went up like a flash.

Messrs. Winter and Muilt left Ashland at 5:45 Saturday morning, and at 3:30 in the afternoon they were on the rim of the lake. At 4:30 they were on the lake fishing. They left the lake at 5:30 in the morning, stopping for two hours at Klamath Falls, where they picked up Mr. Winter's daughter, Hortense, and her cousin, Ruth Walters of Portland, and the party landed back in Ashland at 5:50 Sunday evening.

A Clean Scalp And Healthy Hair

Many of your friends have found that a luxuriant growth of hair—soft and glossy—and a scalp free from dandruff, will result from the use of

NYAL'S HIRUTONE
 This is the procedure—
 Wash the hair with warm water and a mild soap—rinse thoroughly—rub the scalp with a stiff brush—apply Hirutone—rub it in well and dry the hair before combing.
 Please understand that Hirutone is not merely a hair wash—it is a tonic—a food.
 While it thoroughly cleanses it also prevents bacterial action—keeps the scalp cool and moist—the roots of the hair—removes all dandruff—keeps the hair from falling out—and preserves the natural color of the hair.
 Nyal's Hirutone should be used daily.
 It sells at 50 cents a bottle.
