

MURDERER GETS A SHORT TERM

YOUNG MAN WHO KILLED RAY WALLACE IN PORTLAND GIVEN AN INDETERMINATE TERM IN THE PEN

PORTLAND, Sept. 28.—Willard Tanner, who killed Ray Wallace in an Alder street rooming house last June, and who was convicted of manslaughter last week, was given an indeterminate sentence of from one to fifteen years in the penitentiary and fined \$2,000 by Judge Kavanaugh this afternoon. In the event that Tanner cannot pay the fine he is to serve it out in prison at a rate of \$2 a day.

When judgment was pronounced upon him, Tanner took the matter philosophically. Mrs. Tanner, his mother, who came from her home at Linton, Ohio, to aid him, left the court room immediately after sentence was passed. She tottered to the elevator, where she fell in a faint. Restoratives were applied, and she soon recovered.

Tanner killed Wallace with a heavy iron bolt in a room where Wallace had been lured by Tanner's accomplice, Hazel Irwin, who was convicted of manslaughter and sentenced from one to fifteen years in state's prison Tuesday.

ly cast a vote at the different elections.

On September 18th, however, when two of his children, Juanita and Naoma, appeared at the Fort Klamath school for enrollment, the teacher, Miss Minnie McClure, informed them that a special school had been provided for breed children, and declined to allow them to attend the school over which she presides.

The petitioner sets forth that the school directors had engaged a teacher for three months, and had rented a small room in an isolated part of the town which breed children are required to attend, and to which the white children are forbidden. It sets forth that there was no necessity for the renting of a second school when the regular school building affords ample room for all of the pupils of school age in the district. The school was established, the petitioner declares, especially to discriminate against children with Indian blood in their veins.

COMMITTEE TO ENTER TAX FIGHT

CAMPAIGN IS PROPOSED AGAINST SPECIFIC TAX AND THE COUNTY SINGLE TAX BILLS TO BE VOTED ON

SALEM, Sept. 28.—The state legislative tax committee, which includes the members of the state tax commission, have adopted a resolution to wage a vigorous campaign against the proposed graduated specific tax measure and the county single tax measures in Multnomah, Coos and Clackamas counties, and all other measures with any leaning toward single tax.

The committee decided to carry on

an active campaign in support of the seven tax measures endorsed by the mittee, and will make a broad appeal for funds with which to conduct the campaign. State Treasurer Kay was chosen treasurer of the committee, and Frank L. Lovell was elected secretary.

The tax measures endorsed by the committee, which are called the program of rational tax reform, are the constitutional amendments allowing the levying of a specific tax on certain classes of property, permitting taxes to be levied on different classes of property at different rates, the repeal of the county single tax law, to permit the levying of an income tax, and initiative measures providing for the exemption of household goods, the exemption of credits and a uniform inheritance tax law.
