PAISLEY TO HAVE NATIONAL BANK

TOWNSITE COMPANY TAKES A LEADING PART IN THE ORGANIZATION OF BANKING FACILITIES FOR THE TOWN

Paisley is to have a national bank, says the Lake County Examiner.

President Bailey of the Northwest townsite company, is taking the lead in organizing the bank, which it is expected will open for business on January 1st. Four of the five directors will be citizens of Paisley.

"We do not intend to make the bank a clearing house for any of our enterprises," said Mr. Bailey, in speaking to an Examiner man. "We are in the land business, and national banks cannot lend money on land. We can borrow all the money we need, when we go borrowing, at 5 per cent in Philadelphia. We believe a good bank there will help us work in putting three hundred new families upon the 120,000 acres of land that we are under a contract with the state to irrigate. A bank is greatly needed at Paisley. Mr. Bailey says they will be ready to receive subscriptions within thirty days, after the papers are received from Washington.

Wilson attacked Taft and Roosevelt, saying: "Neither undertakes to set monopoly aside. Their proposal is that the government be administered by a board of trustees. The only issue left is the rivalry as to who will be the president of the board."

WILLIS SEEKS TO RECOVER \$6,000

ACTION BY FURNITURE DEALER WILL BE HEARD BY JUDGE BENSON DURING TERM OF COURT IN LAKEVIEW

An echo of the criminal charge on which L. Willis was acquitted by a jury in this city recently will be heard by Judge Benson at Lakeview during the present term of court there, when the case of the Willis Furniture Company against the Horticultural Fire Relief company of Salem is taken up.

Mr. Willis' store was destroyed by fire in Lakeview last February, and in an effort to collect the insurance it was charged that he had committed perjury. He was tried here and acquitted. An action has now been started against the insurance company to recover \$6,000 insurance.

W. Lair Thompson of Lakeview and J. C. Rutanic and J. S. Kent of this city are attorneys for the plaintiff.

Candidate Openly Avows His Union Labor Leaning—Points to the Condition of the Wool Industry in Lawrence—Answers Taft's Charge That Laborers Will Experience Rainy Days

PUEBLO, Colo., Oct. 7.—Wilson spoke here this morning. He will speak in Colorado Springs this afternoon and in Denver tonight. He indirectly charged that Hillis has been urging the employers to demand that employees support Taft under the threat that they will lose their jobs if Wilson is elected.

Wilson attacked Taft and Roosevelt, saying: "Neither undertakes to set monopoly aside. Their proposal is that the government be administered by a board of trustees. The only issue left is the rivalry as to who will be the president of the board."

Quoting Taft that "if Wilson is elected the workmen will experience rainy days," the speaker declared that the workmen are already experiencing rainy days. He pointed to the conditions in the Lawrence wool industry.

LAKEVIEW LIVERYMAN BY THE VICTIM OF A PLOT BY REDSKINS, IN BELIEF—CHARGE IS NOT SUBSTANTIATED

Acting on telegraphic advice from the office of United States District Attorney McCourt, the charge of selling liquor to an Indian which was recently preferred against Con Breen was dismissed by United States Commissioner Ferguson this afternoon.

It is claimed that there was no foundation for the charge against Breen, who is a livery stable keeper at Lakeview. It appears that three Indians became intoxicated while on a visit to Lakeview, and were arrested by the municipal authorities. In order to escape jail, it is said, the redskins concocted the story implicating Mr. Breen.

Bonanza People Pay Contractor for Work

Law Suit in Which Klamath County Bank was Plaintiff is Finally Settled to Satisfaction of All

A school meeting was held Saturday in Bonanza, to pass on the contractor's claim for balance on the school building erected in 1907.

The district had issued a warrant, but the same not being properly signed by the chairman of the board, Judge Benson in the case of Klamath County Bank against the School District No. 2, tried last month, held it ineffectual. This, of course, did not pay the debt, and the meeting voted to pay the contractor, R. E. Wattenburg, the balance of \$1,660, and a new warrant was properly issued to him.

AGED INDIAN MOURNS DEATH

CHIEF JOHN OF THE PIUTE INDIAN TRIBE CARRIES FLOWERS TO THE GRAVE OF HIS DEPARTED SQUAW

The face of Chief John of the Piute Indian tribe was seen in Lakeview last week, says the Lakeview Examiner, he having come over from his reservation allotment in Klamath county. John says, "Two years more on my own land; be heap rich then."

Despite his many long years of hardships, Indian John is a character of amazing conception and one of a deeply sympathetic nature, always ready in his odd and humble way to console one who is in trouble. Last spring when he lost his squaw, Maggie, John suffered the loss keenly, and his moanings were pitiable. And now whenever a funeral takes place and John is here he may be seen carrying flowers, usually in a rugged can, to Maggie's grave.
