Interlocutor—Gentlemen, be seated  
 Ta-ta-ta.  
 Interlocutor—You do not look well today, Sambo.  
 Sambo—No, sah; Ah's not well. You see, sah, Ah was hit in de haid wid an axe, sah, las' night, sah.  
 Interlocutor—You were hit in the head with an axe?  
 Tambo—Yes, he!  
 Sambo—Yes, sah; an' robbed.  
 Tambo—Yes, he!  
 Interlocutor—Why this hilarity, Tambo?  
 Tambo—Yes, he! Sambo makes me smile.  
 Interlocutor—Sambo has just told us that he was hit 'n the head with an axe, and robbed. What is there funny about that? It seems to me like a pretty serious proposition.  
 Tambo—Yes, sah; but de axe wasn't hit in de haid wid no axe. He wuz jes' hit in de arm wid a needle, sah. Tee, he!  
 Sambo—Well, what's de difference?  
 Ta-ta-ta.

## LETTERS FROM THE PEOPLE

Educate Through Literature  
 Eugene, Ore., Oct. 7, 1912.  
 Editor Herald:  
 The social hygiene movement has engaged my attention for some time past, and especially since a conference was held in this city in January last. The benefits sought to be derived by the movement are most vital; are of great importance to all our citizens, our children, and, therefore, to the state itself.  
 It seems quite certain that the chief cause of this evil lies in misinformation and ignorance, and that a great deal by way of cure and prevention rests in correct information and education. It is not believed, of course, that the mere knowledge of the effects of vice will keep all men free from disease, but many high authorities agree that proper education will save hundreds and thousands of men, women and children from needless suffering.  
 In respect to these evils, society has not even discharged its first duty—it has not even given warning. The average boy has been kept in absolute ignorance of those vital facts of life, until for himself he has received the wrong ideas from older misinformed companions and quick newspaper advertisements; advertisements paid for by persons who value pecuniary gain more than human amelioration.  
 Reputable physicians now practicing in this state testify to the great and permanent injury that is being done to our boys who are encouraged by malicious lies in shameless advertisements and by disreputable men. We must speak out for our present welfare and future safety.  
 I believe that we should thoroughly and carefully send literature throughout the state, and that carefully selected speakers should be sent to every city and town, no matter how small, in the entire state. A bill which will enable this work to be extended throughout the entire state is to be presented at the next session of the legislature. R. L. BOOTH.

# VOTERS PAMPHLETS ARE BEING SENT

SALEM, Oct. 15.—Secretary of State Ben W. Olcott has commenced mailing the first of the pamphlets containing statements and arguments of political parties which have nominated candidates and of independent candidates who have filed statements for publication.  
 The pamphlets are segregated into six groups, this division being made necessary on account of district candidates that have arguments in the pamphlet. The pamphlets being mailed today will go to the counties of Baker, Crook, Gilliam, Grant, Harney, Hood River, Malheur, Morrow, Sherman, Umatilla, Union, Wallowa, Wasco and Wheeler. They contain 56 pages, and a sufficient number has been printed to insure a copy for the estimated registration of 30,720 voters in those counties.  
 The second group will number about 39,840, and will go to the counties of Benton, Clackamas, Coos, Curry, Douglas, Jackson, Josephine, Lane, Lincoln and Washington.  
 In the third group are the counties of Linn, Marion, Polk, Tillamook and Yamhill, and the estimated registration is 22,560.  
 The counties of Klamath and Lake comprise the fourth group, with an estimated registration of 3,840.  
 Clatsop and Columbia counties comprise the fifth group, and have an estimated registration of 5,040.  
 The sixth group will go to Multnomah county, the estimated registration of which reaches 50,160.  
 According to the law the state printer must deliver all the pamphlets to the secretary of state by October 20, and the secretary must mail them to the voters not later than October 26.  
 The material in the pamphlet is arranged in the same order as the names of the candidates appeared in the list certified by the secretary of state to the county clerks. This gives the republicans the first position in the pamphlet, the democrats next, then the prohibitionists, socialists and progressives, with the district candidates last.  
 Secretary Olcott has ordered these pamphlets printed and bound without covers, thus effecting a saving to the state of approximately \$1,325, eliminating an item of not less than \$900 in postage alone, as with the cover the pamphlet would have required 3 cents postage, whereas under the plan adopted the postage charge is only 1 cent. Only the pamphlets going to the voters of Multnomah will require 2 cents for mailing. The pamphlet for that county will contain 64 pages, consequently on account of its additional weight cannot be brought within the 1-cent requirement. The cost of the paper for the cover, printing and binding go to make up the balance of \$425, of which \$140 is for the paper and the balance of \$285 for composition and presswork.

**"Women's Rights"**  
 There are over 100,000 women in Oregon. The majority of them do not want to vote. A small proportion in any given community is asking for the ballot. Is that not true in your own town? What do the rest want? Many of them are actively opposed. To put upon these women a responsibility from which they have hitherto been exempted and which they do not wish to assume is not "Women's Rights."  
 Many of them are indifferent. The indifferent male voter is one of the greatest problems of the present election. Would you add to it a large number of votes avowedly indifferent?  
 The demand for women suffrage is the demand that woman shall assume an equal share with men in the responsibility of carrying the government of the city, the state, the nation. It means she shall enter with him the political arena. For it is an arena. Politics is not a conflict of opinions; it is a conflict of wills. It carries with it public meetings, public debates, public marchings and counter-marchings, public discussion of public matters, and of the character of public candidates, and all the other incidents of a campaign.  
 It is not democratic, nor just, nor fair to draft this large body of women into this campaign against their wills.  
 This is the sixth time the voters of Oregon have been asked to vote upon this question in spite of the fact that every two years the opposition to it has increased so that in 1910 suffrage carried in only one county in Oregon, and in that one by five votes, the total vote being 35,270 for suffrage, the smallest vote for it since 1900, and 59,065 against, a majority of 23,795.  
 The Oregon State Association Opposed to the Extension of the Suffrage to Women asks that you give this amendment your earnest consideration, and that you defeat it this time by so great a plurality that the suffragists, local and imported, must bow before the will of the people of Oregon, and acknowledge that the majority rules in America.

## A Clean Scalp And Healthy Hair

Many of your friends have found that a luxuriant growth of hair—soft and glossy—and a scalp free from dandruff, will result from the use of  
**NYAL'S HIRUTONE**  
 This is the procedure—Wash the hair with warm water and a pure soap—rinse thoroughly—rub the scalp with a stiff brush—apply Hirutone—rub it in well and dry the hair before combing.  
 Please understand that Hirutone is not merely a hair wash—it is a tonic—a food.  
 While it thoroughly cleanses, it also prevents bacterial action—nourishes and stimulates the roots of the hair—removes all dandruff—prevents its return—and preserves the natural beauty and color of the hair.  
 Nyal's Hirutone should be on your dressing table. It sells at 50 cents and \$1.00 the bottle.
