PENSION PLAN MADE PUBLIC

WESTERN UNION EMPLOYEES
WILL BE TAKEN CARE OF IN
THE EVENT OF INJURY, AS RE-
SULT OF A NEW SCHEME

Recently the Western Union Tele-
graph company announced to its em-
ployees a provisional pension plan,
guaranteeing a certain income to
faithful employees having a certain
term of service. President Vail has
just issued an additional announce-
ment to the effect that commencing
January 1, 1913, a permanent plan
will be inaugurated providing not
only for pensions, but also extending
to all employees benefits covering sick-
ness and disability from accident, and
in addition thereto, a life insurance
for all employees having relatives de-
pendent upon them.

In case of death by accident occur-
ing in the performance of work for
the company, employees having de-
pendent relatives will receive an in-
surance in the sum of three years'
wages, not in excess of a total amount
of \$5,000, and payable to dependent
relatives. Employees who have been
five years in the company's service
will be entitled to insurance against
death in varying sums not exceeding
\$2,000, such insurance to be paid to
dependent relatives. The disability
insurance covers accidental injury in
the performance of work for the com-
pany, or disability due to sickness or
injury during employment, and while
not in the performance of work for
the company, and the amounts to be
paid in case of accident or sickness
may be received by employees who
have been in the service from two
years upward, varying between full
pay for four weeks and half pay for
nine weeks, which applies to the em-
ployees who have been in the service
between two and five years, up to
full pay for thirteen weeks and half
pay until able to earn a livelihood,
not exceeding, in the case of accident,
six years in all. The pension bene-
fits apply to male employees 55 years
of age and female employees 55 years
of age who have been twenty or more
years in the service, but for those em-
ployees who have been twenty-five
years or more in the company's em-
ploy, the pension is made applicable
to male employees of 55 years or fe-
male employees 50 years of age.

Any employee who has been in the
company's service thirty or more
years may receive the pension bene-
fit.

President Vail first made mention
of the pension plan last March, that
being the first step in the effort of
the Western Union company to give
expression of the company's apprecia-
tion of loyal and efficient service of
employees, and the above designated
new plan secures to the 50,000 em-
ployees of this company from January
1st, next year, a much more compre-
hensive and liberal arrangement in
regard to benefits than originally an-
nounced, and one that will greatly en-
hance the value of employment with
this company.

United Press Service

nesses described the finding of Rosen-
thal's body.

PEOPLE YOU OUGHT TO KNOW

.. FRED MILLS HERDS SHEEP ..

Whisper! Fred Mills used to herd sheep.
Not a person in town knows this, except the writer. Hence the whisper.
You see, years ago Fred's father owned an island or two in the Santa
Barbara channel, and because
nothing but sheep could live on
the aforesaid and above men-
tioned islands, sheep were raised
by Fred's father.

But Fred did not shine as
"Little Bo-Peep." He wanted
to become a lawyer. He did so.
His friends say that he does
most everything he starts out
to do. Anyway, he became a
lawyer, and he has been lawyer-
ing ever since he attained his
six-foot-two-and-one-quarter
inches of height.

When Mr. Mills is not prac-
ticing his profession, he may
be seen tearing up the at-
mosphere with his "bubble"
wagon, so called because it
takes a lot of wind to get it go-
ing. Some people call it an
automobile. Fred has been
known to call it many names
that are not found in any dic-
tionary. In addition to his pet
name of "bubble" wagon.

Mr. Mills is now preparing
a resolution to be submitted to
the Klamath Bar Association
providing that no lawyer in the
county be designated as a
"judge" except men actually on the bench.
"Why should a lot of lawyers be called judge when every body calls
me Fred?" he asked this morning.
Yes, why?

CLASIS IS ORGANIZED TO TAKE UP
THE INTERNATIONAL LAN-
GUAGE—FIRST MEETING IS
HELD TO ORGANIZE

A class in Esperanto is to be orga-
nized by a number of enthusiasts of
the international language in Klamath
Falls. A meeting for the purpose
of organizing a club was held Satur-
day evening at the residence of C. F.
Stewart. The movement met with
enthusiastic support, and a commit-
tee, composed of Mr. Day, J. A. Gold-
smith and Dr. Westerland, was ap-
pointed to communicate with the
councilors of the Western division of
the Esperanto Association of North
America, at Tacoma, and to secure
some text books.

O. E. Rucker and family left this
morning for Long Beach, Calif.,
where they will spend the winter.
Next spring Mr. Rucker will return to
Klamath Falls, as he owns consid-
erable property here.

ALL the people.
It matters not what amount of money you have to deposit—we
will accept it at this bank. We welcome the small depositor, we at-
tempt to him the same consideration and courtesies accorded to all of
