RESTORES GRAY HAIR TO NATURAL COLOR

BY COMMON GARDEN SAGE, A SIMPLE REMEDY FOR DANDRUFF, FALLING, FADED, GRAY HAIR

The old idea of using Sage for darkening the hair is again coming in vogue. Our grandmothers had dark, glossy hair at seventy-five, while our mothers are gray before they are fifty. Our grandmothers kept their hair soft and glossy with a "Sage Tea," which also restored the natural color. One objection to using such a

preparation was the trouble of making it. This objection has been overcome by the Wyeth Chemical Company of New York, who has placed on the market a superior preparation of Sage, combined with Sulphur and other valuable remedies for dandruff, itching scalp, and thin, weak, falling hair.

The beauty of the hair depends more on its richness, even shading than anything else. Don't have dry, harsh, faded hair, when a simple, harmless

remedy will bring back the color in a few days; and don't be tormented with dandruff, itching scalp and loose falling hairs. Wyeth's Sage and Sulphur remedy will quickly correct these troubles and give color, strength and beauty to your hair.

Get a fifty cent bottle from your druggist today and prove this to your own satisfaction. All druggists sell it, and guarantee that the money will be refunded if the remedy is not exactly as represented.
