**DEATH OF DYNAMITE IS TAKEN  
BEFORE THE COUNCIL FOR AC-  
TION. SAVIDGE WANTS COUNTY  
TO PAY CLAIM**

Who is to pay the hospital expense  
in connection with the medical treat-  
ment rendered George Cowen, who  
died at the Blackburn hospital fol-  
lowing the dynamite explosion at the  
Rock home?

A. J. Lyle, superintendent of the  
hospital believes the bill is up to the  
city and last night he presented a  
bill for \$15 to the council.

Members of the council believe  
that the relatives of Cowen, if they  
are able to have the body shipped to  
Wisconsin, are able to pay.

Lyle states that he has received  
no response from the dead man's kin-  
smen, and he believes the case should  
be charged to the city as the injured  
man was taken to the hospital by the  
police.

Councilman Savidge believes the  
matter is a county affair, and he so  
declared himself last night. However,  
he does not intend that Lyle shall be  
left unpaid, and upon his motion,  
the matter was referred to the finance  
committee for further investigation.  
This will be reported upon at an  
early meeting.

ily will join him later, and they will

on.

**EAST AND WEST MEET**  
Walter McCormack, Famous Grand Opera Tumor, makes Friends with the  
Blackfoot Indians from Glacier National Park

The East and the West came together  
in a rather striking and unusual fashion  
at the recent concert given by the St. Paul  
Symphony Orchestra in the Auditorium  
at St. Paul. The Indians attended the  
concert as guests of L. W. Hill and were  
very appreciative not only of the splendid  
solo sung by Mr. McCormack, but of the  
rather intricate and high-brow type of  
orchestration rendered by Prof. Rodwell  
and his well-known orchestra.

Chief Fred Big Top, in referring to the  
concert, said he enjoyed it very much—  
"some of it was just like Indian music."  
The Indians applauded long and loud at  
times and attracted considerable atten-  
tion themselves. While the chief of St.  
Paul were present in evening dress they  
had nothing on the Indians who were  
very distinctly dressed and carried them-  
selves with dignity and ease.

After the concert, the Indians were  
introduced to and photographed with  
McCormack as shown in the picture  
above. They extended him a cordial  
invitation to visit their nation here,  
Glacier National Park, Montana, and  
return.
