CIRCULATION SAM AGAIN

IN SPITE of the efforts of Circulation Sam to criticise the efforts of W. O. Smith as representative of this section in the state legislature, the residents of Klamath county are certain that they have as yet no cause to regret their decision in almost unanimously sending him to the state capitol as representative.

Mr. Smith went to Salem well equipped to serve the best interests of this section. His long residence in Klamath county proved an asset, and his intimate knowledge of affairs of the state found for him places on important committees which have enabled him to accomplish much for his constituents.

Of course, Circulation Sam's criticism will prove as effective for his purpose at this time as has been the case in the past. It has been the rule that every time Sammy opens his mouth, like the proverbial Irishman, he puts his foot in it, and public men in this section have long since discovered that the commendation of Sammy invariably proves their own condemnation.

PEGGY WILSON
A RAPID DRESSER

CLEVER VAUDEVILLE STAR SURPRISES AUDIENCE BY SPEED IN WHICH SHE PREPARES FOR ENTERTAINMENT

That it is possible for a woman to dress in a hurry was demonstrated at the Star theater last night. Peggy Wilson, one of the most charming entertainers seen here this season, was the demonstrator.

The team of Peggy and Jean Wilson arrived on the late train from the south, and were hurried to the theater, where there was an impatient audience. In less than ten minutes from the time they entered the theater the curtain rose. Seated at a piano, wearing an elaborate evening gown, and with perfect toilet, Peggy Wilson was seen.

Then for twenty minutes the clever team entertained.

Assurance of Accuracy

The first consideration in selecting a watch is to get a reliable time keeper. It makes no difference how little you spend for a watch it is money wasted unless you can depend on it to keep somewhere near accurate time.

In the manufacture of a watch one of the chief expenses is the final adjusting and regulating. There are, however, inexpensive watches of real merit. These are constructed along simple lines, and are dependable time keepers. Other cheap watches gotten up in a showy way are not worth carrying.

We have learned by years of experience to distinguish between the good and poor makes, and we will not sell a watch at any price that we cannot guarantee to be an accurate timekeeper. Yours for service,

THORPE IS A DAINTY MORSEL FOR BRITISH SPORTS

Since the announcement was made that Jim Thorpe, the wonderful Indian athlete, is no longer entitled to a "Simon pure" rating, American sporting men have been rather curious to learn just how the British newspapers would view the case. But the cloud of suspicion has been lifted. The majority of English journals have sounded a roar of protest that in volume was only exceeded by the groans which were released when Halswelle, the popular British quarter-miler, was neatly trimmed by the American sprinter in the London Olympic games. The attitude of the Swedish sporting men offers a pleasing contrast. They believe that Thorpe is entitled to keep the prizes he won at Stockholm, as the rules of the games clearly prescribe that the protests against the standing of participants must be made within thirty days of the distribution of the prizes.

Lays Record Egg

Not content with laying eggs all winter, when the majority of hens are merely eating, the flock of White Leghorns owned by S. E. Higgins, who lives on a part of the old Mitchell ranch just across the canal out of the city limits, have tried to set a new record for egg production. Thursday one of the hens laid an egg that measures 8 inches in circumference lengthwise and 5¾ inches around the center.

Hints on Hair Health

If you use our treatment, we will either stop your hair from falling or pay for the treatment ourselves.

Dandruff is a contagious disease caused by a microbe, which if not removed causes baldness. This microbe often comes from a comb or brush belonging to someone else.

If you are troubled with dandruff, itching scalp, falling hair or baldness, we believe that Rexall "93" Hair Tonic will do more than anything else to remove the dandruff, destroy the germ, make the scalp healthy and stop falling hair, and if there is any life left in the roots, also promote growth of new hair.

We believe that probably 65 per cent of the cases of baldness could be overcome if people would only use Rexall "93" Hair Tonic for a reasonable time, as directed.

We don't want you to take our word for this. We want you to test the merits of Rexall "93" Hair Tonic at our risk. If you use it and it does not give satisfaction, just come back to us and tell us, and we will immediately hand back to you the money you paid for it. You promise nothing, sign nothing and your simple word will be taken for it.

We are dependent upon your confidence and patronage, and we would not make these claims, or make this offer if we did not believe that Rexall "93" Hair Tonic is the very best hair preparation you can use. Two sizes of bottles, 50c and $1.00.

You can buy Rexall "93" Hair Tonic in this community only at our store:

CAN'T WIPE NOSES ON CZAR'S PHOTO

IMPERIAL UKASE JUST ISSUED PROHIBITS SALE OF PICTURE "HANKIES" TO THE PATRIOTIC RUSSIANS

ST. PETERSBURG, Feb. 7.—A decree recently promulgated prohibiting the sale of cloth bearing the representation of any member of the imperial family caused much dissatisfaction among dealers who had laid in large supplies of table linen, with the features of the czar and czarina as the center piece. It was afterward explained the decree applied only to pocket handkerchiefs, it being explained that disrespect would be shown in blowing one's nose on a picture of royalty.

GENERAL SICKLES REFUSES TO ACCEPT AID FROM WIFE

General Daniel E. Sickles, who is being prosecuted by the state of New York for converting to his own use the sum of $23,476, which was entrusted to him as chairman of the state monuments commission, stubbornly declines all proffers of aid from his wife. Mrs. Sickles has offered to relieve the general from his embarassing position, providing that he discharge his housekeeper, Miss Eleanor Earle Wilmerding. Sickles believes that his old wartime comrades will come to his rescue with a relief fund, and was greatly cheered by the offer of Mrs. Hogan Longstreet, widow of the famous Confederate commander, to help him. The aged warrior, 93 years old by his own statement, with a notable record as a soldier, diplomat and politician, will be obliged to answer to the law unless the amount that he appropriated is returned to the state. The photographs show General Sickles and his wife, formerly the countess of Canta Isabel and mistress of robes at Queen Isabella's court, as they appear today.
