SALEM'S MAYOR GETS HIS CALL

OFFICIAL RECEIVES AN OFFER FROM KLAMATH FALLS CITIZENS TO INVADE CAPITAL AND GUARD RESPONSIBLE

SALEM, Feb. 21.—Calling attention to the fact that when a newspaper man was assailed by an official of Klamath Falls, Governor West demanded an explanation of the affair, and that when it did not reach him he threatened to suppress such intercourse with the National Guard, citizens of Klamath Falls sent the following wire to Mayor Reeves of Salem, in relation to the governor's assault on an Evening Telegram correspondent last week:

"We are advised by the press that the governor assaulted a newspaper man in the state house and legislators stood by and made no effort to prevent the crime, and that no effort is being made to punish the guilty parties.

"We wish to know what steps you, as Mayor of Salem, expect to take to secure a better enforcement of the law; otherwise it may be necessary to enroll a company of volunteers here to take charge and place the city under military control. The offense in the case as occurred here when a policeman assaulted a reporter, and we propose to see that the law is enforced in Salem, the same as in Klamath Falls."

Assurance of Accuracy

The first consideration in selecting a watch is to get a reliable time keeper. It makes no difference how little you spend for a watch if it is not accurate unless you can depend on it to keep somewhere near correct time.

In the manufacture of a watch one of the chief expenses is the final adjusting and regulating. There are, however, inexpensive watches of real merit. These are constructed along simple lines, and are dependable time keepers. Other cheap watches gotten up in a showy way are not worth carrying.

We have learned by years of experience to distinguish between the good and poor makes, and we will not sell a watch at any price that we cannot guarantee to be an accurate timekeeper. Yours for service,

Quartermaster's Wagon, First Corps, Suffragette Army

The suffragette pilgrims now on the march to Washington are doing things in true army style. Prominent in their equipment is the quartermaster's wagon loaded with literature and liniment. The wagon is drawn by a fiery, untamed steed named Emmeline, in honor of Mrs. Pankhurst. The photograph shows Miss Elizabeth Freeman, an ardent suffragette from New York, who is in charge of Emmeline.

WELL-KNOWN THEATRICAL MANAGER COMPELS LILLIAN LORRAINE TO TAKE HER BEST SONG OUT OF SHOW

The many stories of how good plays have been "passed up" as they say in stage parlance, by shrewd managers are well-known and a new one is being told, showing how the wise ones will even misjudge a good song.

Miss Lillian Lorraine, who has been starring for several seasons in "Ziegfeld's Follies" had selected "DADDY HAS A SWEETHEART AND MOTHER IS HER NAME" to feature in this production a few months ago. The number also appealed to Mr. Ziegfeld as strongly, that he ordered a $7,000 scenic set built for it, but during the final dress rehearsal the manager ordered it "cut out," saying it wasn't lively enough.

Miss Lorraine, owing to some misunderstanding left the "Follies of 1912-13" and accepted a vaudeville engagement at Hammerstein's Victoria, New York, introducing "Daddy Has a Sweetheart" as her principal song. Its success was instantaneous and tremendous, the entire house joining in the chorus and Miss Lorraine was engaged for a further period of three weeks, establishing a record for Hammerstein's. We herewith print a small extract of the song.

Make Us Prove It

We dare not exaggerate to you. We are dependent upon your patronage. To get it we must have your trust and confidence. We make the following statements with a full understanding of what they mean to us. You are safe when you believe in these statements.

For the Bowels

If you only knew as much as we and those who have used them know about Rexall Orderlies, you would be so comfortable about recommending them as we are. They taste just like candy. They act so easily and so pleasantly that the taking of them is a pleasure.

Even children like Rexall Orderlies and you know that if a medicine appeals to a child, it will appeal to grown-ups.

Rexall Orderlies

Baby shows signs, signal Mama—it means you feel happy by their action. Are mighty stimulating and regulating, but act upon the bowels gently. They act to free the system of poisons, to tone the digestive organs, to sweeten the stomach and liver and to promote healthful and restful sleep.

Rexall Orderlies are the quickest, safest, gentlest laxative known. They act to overcome but remove the cause of bowel ills and in a short time usually make unnecessary the continued use of physics and purgatives, thus tending to establish unbreakable habits as many have been formed.

Make Us Prove This

We do not ask you to take our word for this. We want you to make us prove it, and at no cost to you.

Buy a box of Rexall Orderlies at our store. Use them once, or run up one whole box. Then, if you are not thoroughly satisfied, just come back, quietly handed and tell us. Without exhausting you or questioning you, we will return the money you paid us for them.

Doesn't that indicate that Rexall Orderlies are at least worthy of trial? Doesn't it prove our faith in them? Doesn't it merit your confidence? Could any offer be more fair to you?

We particularly recommend Rexall Orderlies for children, delicate and aged persons. Rexall Orderlies come in convenient vest-pocket size tin boxes. 12 tablets, 10c; 36 tablets, 25c; 80 tablets, 50c.

CAUTION: Bear in mind that Rexall Orderlies are not sold by all druggists. You can buy Rexall Orderlies only at The Rexall Stores.
You can buy Rexall Orderlies in this community only at our store:

SYLVIA JAILED FOR THROWING AN INKWELL

Sylvia Pankhurst is in jail again. She was haled before a magistrate recently charged with throwing an inkwell at a prominent "anti," and was sentenced to mark time in the workhouse for fourteen days. But the prison has no terrors for the intrepid little leader, and when she gets out she will lose no time in resuming her position on the firing line.
