PREJUDICE OF RACES

PIONEER residents of the Klamath country have little regard for the sworn testimony of an Indian. This was demonstrated in a local court Monday, when a jury returned a verdict of not guilty in a case in which the principal testimony for the state was given by two redskins.

This was not a haphazard case. It was carefully prepared by one of Uncle Sam's best secret service officers, J. E. Flanders. There was not a missing link in the chain of testimony against the defendant, a negro. Logically the facts were presented to the jury, and there was no defense, except an attack, by inference, on the credibility of the two chief witnesses for the state, both Indians.

But the jury, apparently, would not overlook the fact that these witnesses were Indians. Their testimony was not, apparently, given credence. On the other hand, a flimsy story told on the stand by the negro was apparently accepted.

In the South, where the negroes are in the same or greater numbers as the Indians are here, the case would probably have been decided just the other way, and for a similar reason—the credibility of a race.

FIREMEN'S DANCE IS BIG SUCCESS

OVER A HUNDRED COUPLES WERE PRESENT, AND THE EVENING WAS HIGHLY ENJOYABLE FOR EVERYBODY

When the volunteer firemen announced their eighth annual St. Patrick's Day ball, they stated that this year's occasion would surpass all previous efforts, and they carried out this promise to the letter, as last night's hop was without doubt the most successful held here in several years.

In addition to being a success socially, the dance was a success financially, and the firemen realized a good addition to their sick fund.

Over a hundred couples danced to the strains of the Star theater orchestra until an early hour this morning. The hall was appropriately decorated or the occasion with an intermingling of Irish and American colors, flags and streamers being used with pretty effect. The members of the fire department were each presented with pretty carnations by Mrs. L. H. Bath, and it is needless to say that they were appreciated.

Max Gumbert has gone to Portland, where he will remain for several months.

What's the Matter With the Old Watch?

It's not getting any younger, you know, and once in a while it needs a rest and overhauling. Railroad watches are cleaned and overhauled once a year to insure accurate time-keeping. Why not bring yours in and let us give it the attention that is necessary for good time keeping.

SHEPHERD GETS BUILDING PERMIT

COUNCIL AGREES NOT TO OBJECT TO THE ERECTION OF BUILDING ON SIXTH STREET IF FOUNDRY IS BARRED

The application of B. F. Sheperd for permission to erect a garage on the north half of lots 9 and 10, in block 84, on Sixth street, was granted by the city council last night. It was stipulated that a foundry should not be established in the building.

The application of J. B. Duncan for permission to park a portion of the street in front of his property in Hot Springs addition was referred to the street committee.

Other permits granted were:
To J. H. Potter, barn, 14x28 feet, on lot 583, First addition.
To John Slade, remodel building at 1004 Main street by putting in a glass front.

BOOKLET TREATS OF BEST LIGHT

PAMPHLET EXPLAINING USE AND MISUSE OF ELECTRIC LUMINATION IS DISTRIBUTED BY THE POWER COMPANY

"Light, Its Use and Misuse," is the title of an interesting pamphlet which is being circulated among its patrons by the California-Oregon Power company, and which treats of proper and injurious arrangements of lighting fixtures in the home, store and office.

The booklet was prepared under the direction of the Luminating Engineer Society, and treats the subject in an impartial manner, favoring no particular brand of lamps or fixtures, and naming no firm in the whole work. It is illustrated with a number of halftones.

CITY MAY BUY TEAM, WAGON

ALDERMAN DOTY GETS ONE OF HIS FAVORITE MEASURES THROUGH COUNCIL FOR FIRST READING LAST NIGHT

An ordinance providing for the purchase of a team of horses, harness and a wagon was introduced at the meeting of the city council last night, and it appeared to be the consensus of opinion that the ordinance would receive favorable consideration when it is up for final passage.

The measure is one of Alderman Doty's favorites. Several months ago he introduced a similar measure, but the council, probably having in mind the high cost of horse feed in the winter time, defeated it.

The ordinance provides for the appointment of a committee of three to investigate the price of horses.

Is it in the Herald? It's right, then.

The New Cabinet

WILLIAM B. WILSON
Pennsylvania
Secretary of Labor

William Bauchop Wilson, who is to be secretary of labor in President Wilson's cabinet, was born in Blantyre, Scotland, April 12, 1862. His parents came to the United States in 1870, and settled at Arnot, Pa. The boy went to work in the coal mines in March, 1871. He has taken an active part in trade union matters, and for nine years was international secretary of the United Mine Workers of America. He was elected to the Sixtieth congress, and re-elected to the Sixty-first. He is married and has nine children.

Bird I. Loosley is down from Fort Klamath, attending to business matters.

Today's news in The Herald.

No Reason for Doubt

We want your confidence—want you to feel you can depend on our honesty and sincerity. When we say Rexall Orderlies will give you better results than any similar remedy, and promise your money back if they don't, you ought to believe us.

Rexall Orderlies

taste just like candy. They act easy. They cause no inconvenience whatever. Our faith in them is backed by knowledge of what they are made of and observation of severe cases of constipation and other forms of bowel troubles in which they gave prompt and pleasant relief.

Don't take our word—make us prove it. Use Rexall Orderlies, and if you don't feel like coming back to thank us for telling you about them, then come back and we will return the money you paid us for them. We won't oblige you in any way whatever. Merely ask and back goes your money to you.

Make You Feel Great

That's what Rexall Orderlies do, because the thorough cleansing they give the bowels—their toning and strengthening effect upon the bowels—the influence they exert toward promoting prompt, easy and regular action of the bowels, thus freeing the system and keeping it free from the damage, distress and depression always caused by irregular bowel action—all these beneficial results from the use of Rexall Orderlies help dispel gloom, improve the spirits and add to the joy of living. Very often they ward off serious ills that frequently result from continued constipation.

Their Easy Action

Rexall Orderlies are a common-sense remedy for bowel disorders. Easy in action, they do not purge, gripe, nauseate or cause excessive looseness.

They tend to tone and strengthen the delicate intestinal nerves and muscles, promptly relieve constipation and help to overcome its cause and make its recurrence improbable. In those things they differ from old-fashioned, harsh, disagreeable physic, which usually gives only temporary relief and often leaves the bowels in worse condition than ever.

We particularly recommend Rexall Orderlies for delicate and aged persons and for children. In vest-pocket size tin boxes, 12 tablets, 10¢; 36 tablets, 25¢; 80 tablets, 50¢. Usual dose one tablet.

CAUTION: Please bear in mind that Rexall Orderlies are not sold by all drug stores. You can buy Rexall Orderlies only at The Rexall Stores. You can buy Rexall Orderlies in this community only at our store:
