## BALL SEASON OPENS SUNDAY

**KADEES AND LOCALS TO CROSS  
BATS AT HOT SPRINGS DIA-  
MOND IN THE INITIAL GAME  
OF THE YEAR**

The local baseball season will be  
ushered in at 10 o'clock Sunday  
morning, when a team organized by  
the Klamath Development company  
crosses bats with a local contingent  
styled the Klamath Falls team. Both  
teams have been practicing a great  
deal of late, and they have been  
rounding into fine shape for Sun-  
day's contest.

The locals will line up in this man-  
ner: Nicholson catcher, Orem and  
Ambrose pitchers, Hurn first base,  
Arnold second base, Hayden third  
base, Mesner shortstop, Noel, Brown  
and Hardenbrook in the outfield.

The Kadee ball tossers have decid-  
ed to play in this way: Pletz catcher,  
Frank Guilford pitcher, Dale first  
base, Voge second base, Kinnear third  
base, George shortstop, Albertson,  
O'Connell and Hughes in the outfield.

## CHAMPIONS VIE AT SIDESTEPPING

**HARDEST THING FISTIANA NOW  
FACES SEEMS TO BE ENTICING  
McARTY AND RITCHIE INTO  
ARENA AGAIN**

By HAL BROWN  
(Written for the United Press)  
NEW YORK, April 3.—The main  
job now ahead in the fist parade  
seems to be the act of getting the  
title holders back into the ring. It  
doesn't appear that much urging  
should be needed to entice the aver-  
age pug into an hour's work for  
which he would receive from \$10,000  
to \$15,000. Yet here we have Meas-  
McCarthy and Ritchie, two cham-  
pions or championship claimants, twist-  
ing and ducking sideways every time  
some one mentions a battle.

There are any number of fights un-  
der way, but the two battlers in  
whom the public is showing more in-  
terest and about whom there is more  
doubt as to the amount of stuff car-  
ried, are the only two who refuse to  
be drawn into any sort of melee.

McCarthy might defend his title  
against the field, although many be-  
lieve that Gunboat Smith or Jess Wil-  
lard would have an even chance of  
upsetting him. But there's at least  
considerable doubt that Willie Ritchie  
will be champion after he finishes  
with Joe Rivers, or even any one of  
the three or four best of the lads an-  
xious for a crack at his crown.

I absolutely guarantee all my work  
to give entire satisfaction.

## RAILROAD MEN TO PLAY BALL

**PROCEEDS WILL BE DONATED TO  
CIVIC LEAGUE FOR PARKING  
GROUNDS AT LOCAL PASSEN-  
GER STATION**

For the purpose of enjoying the na-  
tional game, and at the same time  
working to beautify the community,  
local attaches of the Southern Pacific  
have organized a baseball team, with  
Lester Leavitt as captain. Later, fol-  
lowing several practices, a schedule  
of games will be arranged.

It is the intention of the new or-  
ganization to turn all monies realized  
from the games to the Women's Civic  
League. This will be used in beauti-  
fying the parking between the freight  
and the passenger depots. The Civic  
League has had this improvement in  
mind for some time.

The railway men will invade the  
diamond with a particularly strong  
lineup, including several men who  
starred in organized baseball. The  
lineup as announced follows: Leavitt  
(captain) catcher, Owens and Beard  
pitchers, McCleary first base, Bailey  
second base, Wiley third base, Beck  
shortstop, Gould, Jorgenson, Wright,  
Bradford and Campbell outfielders.

**Farmers, Attention!**  
I am making up a list of irrigated  
lands, dry lands and stock ranches,  
and will publish a description of each

## Hints on Hair Health

If you use our treatment, we will  
either stop your hair from falling or  
pay for the treatment ourselves.

Dandruff is a contagious disease  
caused by a microbe, which if not  
removed causes baldness. This  
microbe often comes from a comb  
or brush belonging to someone else.

If you are troubled with dandruff,  
itching scalp, falling hair, or baldness,  
we believe that Raxal "33" Hair  
Tonic will do more than anything else  
to remove the dandruff, destroy the  
germs, make the scalp healthy and  
stop falling hair, and, if there is any  
life left in the roots, also promote  
growth of new hair.

We believe that probably 95 per  
cent of the cases of baldness could  
be overcome if people would only  
use Raxal "33" Hair Tonic for a  
reasonable time, as directed.

We don't want you to take our  
word for this. We want you to test  
the merits of Raxal "33" Hair  
Tonic at our risk. If you use it and  
it does not give satisfaction, just  
come back to us and tell us and we  
will immediately hand back to you  
the money you paid for it. You  
promise nothing, sign nothing and  
your name need not be taken for it.

We are dependent upon your satis-  
faction and pleasure, and we would  
not make them unless we were  
sure that Raxal "33" Hair Tonic is  
the very best hair  
preparation you can use. Two sizes of  
bottles, 50c and \$1.00.

You can buy Raxal "33" Hair Tonic  
in this community only at our store!

## "What Chance Has Chance?" Ask the Rabid Ball Fans

THE PEERLESS LEADER

Frank Chance's efforts to land the tail-end Highlanders in the front  
rank of the American League will be watched with interest.

By HAL SHERIDAN  
(Written for the United Press)  
Where then, inquires the average  
reader, will the Yankees finish? Al-  
most certainly out of last place. Prob-  
ably not any higher up than sixth.  
Chance has some good material to  
start with, but two breaks of fortune  
are against him. One lies in the fact  
that his team is composed in good  
part of brittle talent—that is, talent  
easily wounded or hurt. This failing  
has stopped other teams in the past—  
notably the Cleveland Americans and  
the Phillies. The Yanks have too

many people enrolled liable to in-  
jury, and unless they can get over  
this shortcoming, as great a leader  
as Chance is, the odds will be against  
him. The other break of fortune  
comes from the dope that he must  
play his first thirty games against  
Boston, Philadelphia and Washing-  
ton—the three strongest teams of his  
circuit. A good start means much to  
a team working from the rut, but  
there's no great chance for a flying  
start against three clubs hotfoot after  
the pennant and keyed up to the top  
stride in speed.

## HIGH SCHOOL IS TALKING TRACK

**VARIOUS CLASSES ARE DOPING  
OUT THEIR POSSIBILITIES OF  
WINNING MEET DURING COM-  
MENCEMENT WEEK**

Now that basketball has gone by  
the board at the Klamath county high  
school, track athletics are receiving  
the attention of the students, and  
from present indications, the second  
annual interclass track meet to be  
held will be a hotly contested affair  
throughout. All of the classes are  
hopeful of winning, and even the  
Fresh are of the opinion that they  
have some good material waiting to  
surprise the rest of the school.

The track meet will be held during  
commencement week. It is  
possible that Merrill and Bonanza  
will be asked to send teams.

Among the contestants for honors  
will be the following  
Weights—Boller, McCormick and  
Piel, '14; Skelton, '13; La Parle,  
'15.

Discus—Stanley, Stewart and Mc-  
Cormick, '14; Skelton, '13.

Sprints—McCoy and Riggs, '13;  
McCormick, '14.

Middle distances—Hagelstein, Mc-  
Cormick and Hurn, '14; Riggs, '13.

Mile—Measner, '13; Hagelstein,  
'14; Seville, '15.

Pole Vault—Stanley, McCormick  
and Hurn, '14.

High Jump—Hurn, Stanley and  
Stewart, '14.

Broad Jump—Riggs, '13; Stanley  
and Hurn, '14; Roy La Parle, '15.

**The Phenomenon**  
NEW YORK, April 3.—Quite a  
phenomenon is in the act of taking  
place in the midst of the national  
pastime. A tail-end ball club—that is  
a tail-end club from the year before—  
is returning from a training trip with  
more general interest attracted its  
way than the two pennant winners  
carry. We refer to the New York  
Yankees.

Through the individuality of one  
man, the newly appointed manager,  
this team is attracting wide-spread  
interest from coast to coast, and vice  
versa as well as up and down the  
map. Probably a big wad of this in-  
terest lies in Frank Chance, the man-  
ager, but as Chance's fortune rests  
with the showing of his club, the  
players also come in for a share of the  
eternal lamping.

Needless to say nine fanatics out  
of every nine are pulling for Chance  
to make good. One of the reasons is  
Frank Chance. The other is Charles  
Webb Murphy.

## BUD AND KAYO SCRAP ON 15th

**LIGHTWEIGHTS WILL DO BATTLE  
AT VERNON ARENA A WEEK  
FROM TUESDAY NIGHT—EVEN  
BETTING EXPECTED**

LOS ANGELES, April 3.—Bud An-  
derson and Knockout Brown will  
meet at Vernon on the night of April  
15th, in a scheduled twenty round  
bout to decide an argument that was  
left unsettled when they recently  
slugged twenty rounds to a draw in  
the same arena.

Brown is back at his quarters at  
Venice and already is hard at work.  
Anderson is climbing the hills near  
Wheeler Springs, and reports from  
his mountain camp say that he will  
return Saturday in perfect condition.

It is expected that the lightweight  
will be an even money choice with the  
bettors.

## TERMS OF WILL NOT GIVEN OUT

**ESTATE OF THE LATE J. PIER-  
PONT MORGAN IS ESTIMATED  
AT FROM SEVENTY-FIVE TO  
THREE HUNDRED MILLION**

NEW YORK, April 3.—Estimates  
of the fortune left by J. P. Morgan,  
as made in the financial directory,  
range from \$75,000,000 to \$300,000,-  
000, this sum including his art col-  
lections. It is understood that the finan-  
cier's will is of comparatively recent  
date, but no intimation has been made  
as to when it would be given to the  
public. Morgan's personal counsel  
declines to discuss the matter.

Those who shared Morgan's close  
friendship predict that there will be  
large charitable and public bequests,  
although it is conceded that his son,  
J. P. Morgan, Jr., will receive the  
bulk of the fortune.

and instantly your clogged nose and  
stopped-up air passages of the head  
will open; you will breathe freely;  
dullness and headache disappear. By  
morning the catarrh, cold in head or  
catarrhal sore throat will be gone.  
End such misery now! Get the  
small bottle of "Ely's Cream Balm"

distressing but truly needless.

Put your faith—just once—in  
"Ely's Cream Balm" and your cold  
or catarrh will surely disappear.

## M'GRAW'S CREW HITS NORFOLK

**THE MANAGER DECLARES THAT  
BARNSTORMING IS BEST METH-  
OD OF TRAINING THE GIANTS  
HAVE TACKLED YET**

United Press Service

NORFOLK, Va., April 3.—The New  
Giants, fit and trim for the opening  
of the big league season, arrived here  
today on their barnstorming tour  
from the southern training grounds.  
Manager McGraw says the real  
games his disciples are playing will  
prove better training than the weeks  
spent nearer the torrid sun. The  
local club will compete with the big  
fellows this afternoon.

Tomorrow the team will play in  
Richmond, Va.; will be in Baltimore  
the two following days; in Washing-  
ton April 7 and 8, and will land in  
the home camp April 9.
