ADMINISTRATION FEATURES HEARD

DEBATE ON THE INCOME TAX CONCLUDED IN HOUSE—CONSIDERATION OF ANOTHER PHASE OF TARIFF IS UP

WASHINGTON, May 7.—The house today concluded consideration of the income tax amendment, and began a long debate on the administration features of the tariff.

One of the interesting features in the renewal of the fight for the authorization of a tariff commission.

The minority proposes to demand a separate roll call on many of the schedules. Underwood, on the other hand, declares the passage of the bill is certain to occur tomorrow.

What's the Matter With the Old Watch?

It's not getting any younger, you know, and once in a while it needs a rest and overhauling. Railroad watches are cleaned and overhauled once a year to insure accurate time-keeping. Why not bring yours in and let us give it the attention that is necessary for good time keeping.

ENGLISH POLO TEAM SAILING

BRITON CHALLENGERS ARE CERTAIN THEY WILL WIN THE INTERNATIONAL CHAMPIONSHIP FROM AMERICANS

United Press Service
LONDON, May 7.—Declaring themselves fit and prophesying victory for England, the English polo team which will play the American cup holders for the international polo championship on Long Island in June, sailed today for New York. Besides the squad of ten players—the best that England could produce—a large number of prominent society people sailed at the same time, to be on hand to witness the matches. Other Britons will follow on later boats.

give way to the Missouri principle when it comes to picking the team. Toward this end, the competitive examination plan will be used by the disciples of Blackstone in a tryout at Modoc Park grounds this afternoon.

It has been definitely decided that dentists can be included with the M. D.'s, as the original specifications for a "doctors' team." This gives the Ducks a little wider range of choice, and they vow that the team they put on the field will fairly dissect the skeptics.

According to the plan the game will be played at Modoc Park Sunday afternoon. The proceeds will be given to the Women's Civic League.

United Press Service
SPOKANE, May 7.—"Ritchie will surely fight July fourth," said Manager Nolan today in response to a query from the United Press.
"Just who the lad will meet, or where the bout will be staged I can not say positive at this time," said the champ's pilot. "We have offers from New York and San Francisco."
"New Yorkers are especially anxious to have Willie there on July 4. They have made several strong offers for bouts with Paeky McFarland or Leach Cross."
