**Miss Florence Fleming Noyes
in Daring Greek Costume**

NEW YORK, May 9.—Florence Fleming Noyes as Hope was one of the principal figures in the Woman suffrage party pageant given at the Metropolitan opera house in New York May 3. Among a hundred other young women dressed in the conventional Greek costume she stood out. She appeared on the stage immediately after the prologue. She rushed from the Greek temple with a lighted torch in her hand, and lit the flame at the Altar of Truth, while the hand maidens danced about her. During this scene the Spirit of Woman, as represented by Pauline Frederick, the beautiful actress, appeared. It became the duty of Hope to show her vision of Freedom, and after that the Spirit of Woman also wanted to vote.

Pretty new line of shirt, lace and handkerchiefs; also a snappy and new line of jewelry for spring. McHattan.

**WATER PERMITS
IN KLAMATH CO.**

REPORT OF THE STATE ENGINEER FOR THE FIRST QUARTER SHOWS THAT RECENT FILINGS AFFECT OVER 20,000 ACRES

During the quarter ending March 31, 1913, the state engineer issued eight permits for water in Klamath county, among which are permits issued to Harry A. Hunter and to the Oregon Land Corporation for irrigation and domestic purposes. These permits cover an area of a little over 20,000 acres. The water is to be taken from Shoestring, Cottonwood, Sh. and Miller Creeks and Fish Lake. This project is in townships 27, 28 and 29 south, Ranges 7, 8 and 9 east.

It is the purpose of T. L. Osgood to store the waters of Keene Creek and carry the same across the divide into the Rogue River drainage for irrigation purposes, according to the permit issued to him.

John Knott of Crescent secured a permit to irrigate 140 acres of land with the waters of Miller Creek, in section 18, township 28 south, range 5 east, Willamette meridian.

During the quarter 114 permits have been issued throughout the state under which it is proposed to irrigate 49,071 acres, develop 1,551 horsepower and supply water for domestic and municipal use. These permits also include eleven for the construction of reservoirs for the storage of 3,029 acre feet.

Guy Hunter, who is ranching in the White Lake country, is here to purchase supplies and attend to other matters.

Mrs. Rose M. Torrey has returned to her homestead at Coon Point, after a short visit in Klamath Falls.

I have a nice assortment of the Lucky Bluebird pins at various prices. Dainty for summer. McHattan.

L. A. Wills has gone to Harriman Lodge to attend to some work there. He will be away several days.

**John Mitchell a
Leader of Miners**

NEW YORK, May 3.—John Mitchell, the noted labor leader, and one of the few who have not been denounced by capitalists as agitators, has become a political football in New York state, and is being kicked around from Governor William Sulzer to Charles F. Murphy, boss of Tammany Hall, and back again. Tammany Hall, all through its career has made it a habit to cater to labor leaders, has actually trampled on one of the most prominent of them. However, this is not because any one in that organization has objection to Mitchell—Tammany would be glad to have him with the organization.

But Governor Sulzer and Murphy are now in open warfare. The governor nominated Mitchell for state commissioner of labor without the endorsement of the leaders of his party. He named some others for office who were disliked by leaders. Thus, Murphy, who controls the state senate, has seen to it that the governor's nominations were rejected. Mitchell was a mere political victim. Rather than give in to the governor, Tammany took the chance of alienating the thousands of friends Mitchell has among organized labor men of New York.

**LAKEVIEW MAY
HAVE CREAMERY**

NEVADA MAN IN THAT CITY,
LOOKING OVER THE FIELD,
BELIEVES HE WILL GET PROP-
ER SUPPORT

LAKEVIEW, Ore., May 9.—From the outlook during the past three days Lakeview will have a creamery. H. A. Trost of Janville, Elko county, Nevada, has been here several days, and with the help of F. O. Bunting, many have given the question much encouragement.

Mr. Trost has found a location at the corner of Center and Willow streets for the creamery, and wants the merchants of the city to pay half the cost of the lot, only \$500, and he will do the rest. The farmers give him much encouragement, and all he asks of the stockmen is to furnish him the cream from 150 cows, and he says that after a couple of months run he is sure that the number will be raised to 250.

They are new and down-to-the-minute for class. Hand-painted French enamel handy pins. McHattan.

Willard is a giant. Smith has a giant's punch. Willard's measurements show him to be larger than Jim Jeffries was at the same age—25. Here they are:

**GRAY HAIR TURNS ITS NATURAL
COLOR AFTER APPLYING SAGE TEA**

Mixed With Sulphur, It Makes Hair Soft, Beautiful, Cures Dandruff

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also cures dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays skilled chemists do this better than ourselves. By asking at any drug store for the ready-to-use product—called "Wyeth's Sage and Sulphur Hair Remedy"—you will get a large bottle for about 50 cents. Some druggists make their own, but over-

It's usually too sticky, so insist upon getting "Wyeth's," which can be depended upon to restore natural color and beauty to the hair and is the best remedy for dandruff, dry, scaly, itchy scalp and to stop falling hair.

Police like "Wyeth's Sage and Sulphur" because no one can possibly tell that you dandruff your hair, as it does it so naturally and evenly, says a well known down town druggist. You dampen a sponge or soft brush and draw it through your hair, taking one small strand at a time. This requires but a few moments. In moving the gray hair disappears and after another application of the tea restored to its natural color and becomes more beautiful and glossy.
