JORDAN QUILTS STANFORD HEAD

AFTER HIS VISIT TO KLAMATH FALLS NEXT WEEK, EDUCATOR WILL MAKE A STUDY OF THE BALKAN WAR

STANFORD UNIVERSITY, Cal., May 31.—Dr. David Starr Jordan announced his retirement as president of Leland Stanford, Jr., university, to become chancellor of the same institution, a new office. He will be succeeded as president by Dr. John Casper Branner, professor of geology.

The change merely means, it is stated, that Dr. Branner will share Dr. Jordan's duties to permit the latter to continue his work for world peace.

The trustees of the university, it was said, will formally ratify the change at their regular meeting here May 23. Dr. Jordan will leave shortly for the Balkan States to study the results there of the Turko-Balkan war, but no definite date has been set for his departure.

live agency, who had led in the search for the boy, furnished practically all the evidence for the prosecution. Among other things, Perkins brought to light an alleged 5-year police record against Helen Boyle. She denied the record as a frame-up, and during one session of the trial dramatically denounced Perkins, telling him, despite efforts of court officials to quiet her, that he would live to come before a judge as a defendant, begging for mercy. Perkins is now serving a term in the Leavenworth penitentiary.

Attorney Reese today declared he has evidence which will absolutely prove that the alleged police record was without foundation. He presented to the pardon board affidavits from Helen Boyle's parents and friends in Chicago in which it was declared that, during the five years the police record covered, the woman had been at the home of her parents, Mr. and Mrs. William McDermott, and that she had not left her Chicago home until 12 months before the kidnapping of Billy Whittle.

A plea was also made by Attorney Reese today to the effect that the 25-year sentence was grossly unjust, and that the woman has been sufficiently punished for her part in the kidnapping. Other arguments made by Reese today were to the effect that Helen Boyle knew nothing of the kidnapping until the child was taken to her in Cleveland by her husband.

Would you blame her if she kicked?

The light, simple, sanitary Sharples Dairy Tubular Cream Separator.

You'd consider your wife lacked spunk, if she didn't kick at washing the ten feet of rattling discs, from a single common "bucket bowl" cream separator, when she might as well be washing the simple, light cleaned in-a-minute Dairy Tubular Bowl.

The picture shows all there is to the light, simple, durable easily cleaned Sharples Dairy Bowl, used exclusively in Sharples Dairy Tubular Cream Separators--the cleanest skimming separator made.

SENATORS ARE HEARING BILL

TARIFF MEASURE COMES UP FOR ATTENTION ON A FULL MOTION FROM FINANCE COMMITTEE—EXPECT BIG CUTS

WASHINGTON, May 31.—Upon a full motion of the finance committee, the senate today began the consideration of the tariff measure.

It is rumored that the rates on a number of manufactured goods will be lower than contemplated.

The California delegation fears a free listing of lemons.

It is the opinion of the members of the finance committee that the senate will cut the rates even lower than the House did.

It was stated that the tract of 90 acres may be purchased at a reasonable figure. Much interest was taken in the proposal.

G. E. Bradnack, who is home-staying just over the line in California, is here on a business trip.

DOCTOR NOWELL HAS CANCER CURE

(Continued from Page 1)

Personally, he has received and answered 3,000 letters. All who have inquired have been told that the work is experimental; that no serum is for sale; that no patients will be taken except through the hospital under whose auspices the work is being done.

He has now admitted for the first time that he had apparently cured a great many rabbits of cancers grown from his cancer virus, which is obtained from a human malignant growth. He had previously announced his success in immunizing rabbits. He is treating the human beings at five-day intervals, as he treated the rabbits. He has 25 patients in the hospital all the time, and 25 more who come for treatment.
