PORTLAND, Ore., May 15 — The story of the Second World's Christian Association Convention will be told in Portland June 19 to July 1 in the newest assembly pra-

dium, which comprises the field of the Multnomah Assembly Athletic Club, according to announcement made today by T. W. Wood, the program director. The assem-

dly will approve their arithmetic from a stand which has been seated at the middle of the field. The stands around the speakers’ platform will accommodate 12,500 persons.

The natural acoustic properties of the place make it possible for persons in the near sections further away from the speakers to plainly hear what is said on the central platform in a conversa-
tional tone.
